Mountain Avenue To Be Closed To Traffic

Ontario's Mayor May Enter Race For Assembly

Mayor G. E. McQuatters of Ontario "may be" a candidate for the Republican nomination for state assemblyman.

The retired businessman and the head of the Ontario city government has been urged by residents in Upland, Ontario and other parts of the 72nd district to allow his name to be used in the June primaries. For at least two weeks, private citizens have telephoned and talked personally to Mayor McQuatters about the assembly and the opportunity he has to represent this rapjidly expanding area at Sacramento.

NO POLITICAL AMBITIONS

Mr. McQuatters is hesitant about entering a political contest. "Of course, I am interested in serving the people who have been so kind and generous with me but frankly, I am not politically ambitious," Mr. McQuatters told the Upland News yesterday. "I enjoy my service on the Ontario city council and I gave no thought of the position in the state assembly until friends began calling me and suggesting that I become a candidate."

He indicated yesterday he might become a candidate. "It all depends," he added "on what reports I get from persons who know the situation, who know my capabilities and who know the job that is ahead."

FERGUSON IS CANDIDATE

Ray Ferguson recently announced his candidacy for the state assembly. Stanford Shaw.

NEW EFFICIENCY

Shaving while driving to work that is a new efficiency angle we have never tried.

A fellow traveler down Euclid avenue yesterday morning showed us how it is done while driving at 50 miles or so an hour. He kept one eye on the evenue, another on the mirror and his whiskers. One hand tightly gripped the steering wheel and the other hand manipulated the razor. We glanced at him when he was getting at the under-the-chin growth, his head tipped far back so better to clip the pesky whiskers that grow on the loose neck skin. At about this time he was crossing the busy Foothill boulevard intersection. Luckily, he missed hitting all the cars but the way he was going at it, he was missing no whiskers.

Every now and then, we try new ways of doing things in our household just for the sake of efficiency. The most recent innovation is putting the coffee-maker on the automatic clock-control. If we arrive on the scene on schedule, we can squeeze the orange juice, toast the bread and fry the eggs just as the coffee perks its last. Prior to this system, we could beat the percolator. There was nothing for us to do then but tweedle our thumbs until it was ready.

This idea of shaving while driving the four miles from home to the office presents a new opportunity to us. That is something for study and a later report.

Incidentally, we may have our camera handy and be ready to photograph the next shave-while-you-ride-motorist just for a better study of the system.

PRAYING LAYMEN

The Rev. Trusten A. Hart, minister of the Presbyterian church, is heartily in accord with the Upland city council having an invocation delivered at the start of each council meeting.

But why have only a preacher do it? he asks.

"I have been trying to urge 'my people' that laymen can pray—perhaps better than the preachers," he explained.

And then he continued; "I believe the time has come when laymen should pray, privately and in public, just the same as preachers."

In his church, in his Rotary club and other organizations, the Rev. Mr. Hart is urging more laymen to pray.

Many people will recognize the importance of laymen expressing themselves publicly in seeking diviine guidance. In any event, we are heartily in accord with the new council policy—and Rev. Hart's ideas.

MORE PROJECTS

Construction of a dam at a cost of about $8,000,000, contsruction of a new high school campus and completion of the Ramona freeway are at least three major improvement projects that will provide work and interest here during the next few years.

The proposed dam, about a mile across the San Antonio canyon has been in the "talking" stage for years. Today, the actual construction period is at hand. Bids will be opened by the U. S. army engineers Feb. 16 for the actual placing of dirt, rock concrete and other facilities across the dam. Incidentally, the dam will extend 160 feet above the canyon level.

To provide actual cash for construction of the Upland high school a million dollars in Chaf-

Seek Return of Artist Series

Form Community Concert Plan

World famous artists may entertain in the Chaffey auditorium again as the result of a movement under way today in the formation of a local unit of the Community Concert association.

Tentative plans are being made for an intensive campaign to give all interested persons an opportunity to join in the effort. Feb. 22 is the date set for a meeting of approximately 200 persons in Red Hill Country club. This meeting would mark the beginning of a campaign to sell association memberships to hundreds of persons.

EARLY ENDORSEMENT

Preliminary meetings have been held at which interested persons have given strong endorsement to the movement. Jack Clark is one of the active leaders in the tentative organization. He is being assisted by other leaders in the informal group.

If the new association becomes a reality it will serve in the field formerly held by the Chaffey Community Artist association, which for years presented outstanding talent. The 1953-54 season is the first in many years without an artist course here.

ONE-WEEK CAMPAIGN

Many persons are anxious for the reactivation of a program that will bring to the community the world's leading artists. Many communities in Southern California and elsewhere participate in what is known as the "Community Concert association."

In a one-week intensive campaign, "memberships" will be sold, $6 for adults and $3 for students and youths. Each membership entitles a person to attend all the concerts given by the association each season. Thus, an audience and financial support are assured in advance. The number of concerts and the quality of the entertainers are determined by the number of memberships sold.

Mr. Clark said it is not likely any concerts would be presented here until fall.

Site Sold For Subdivision

Nine acres of oranges on the south side of Arrow highway, immediately west of Palm avenue have been purchased by William Logan, Pasadena, as a site for a multiple family subdivision. Mrs. W. E. Morse, 222 West Arrow highway, has sold the property, retaining her residence and one acre of land surrounding her home.

Development of the property is being planned by Lloyd Butler, local real estate agent.

A tentative subdivision map has been approved in the city hall, with 35 lots being planned.

First Semester Ends Friday

District Superintendent Harold W. Cook announces the end of the first semester of the 1953-54 school year in the Upland schools this Friday, with second semester studies to commence Monday.

This same semester schedule is being observed by other elementary districts of the Chaffey School district, as well as the Chaffey High school district.

Whitney Assumes Role Of Planning Chairman

Chairman George H. Whitney

George H. Whitney, 805 West Sixteenth street, will assume his duties as chairman of Upland Planning commission at the regular January meeting tonight in Upland City hall council chambers.

Elected to succeed William H. Kistinger as chairman last month, Mr. Whitney has served as vice-chairman for 18 months. He was first appointed to the Commission to fill the vacancy left by John Humphrey in January, 1951.

L. A. LAW FIRM

A partner in the Gibson, Dunn and Crutcher law firm in Los Angeles, Mr. Whitney prefers to live at the family estate built by his parents, the late Mr. and Mrs. Alden Bradford Whitney, when they came to the Upland community from Chicago.

Born in Chicago but reared in Upland, Mr. Whitney was graduated from Chaffey High school, received his A. B. degree from Williams college of Williamstown, Mass., in 1936, and his L.L.B. from Stanford university Law school in 1939. He is a member of the Los Angeles Bar association and San Bernardino county Bar association.

Locally he is a director of Liberty Groves Operating Corp., and San Antonio Water company.

U. S. NAVY VETERAN

During World War II he served for five years in the U. S. Navy, with his overseas service at Casa Blanca, Africa, as air combat intelligence officer. He was a lieutenant commander at the time of his discharge.

His family consists of his wife, Isabel, and their two daughters, Mary Catherine, 4, and Olive Therese, 2½.

Mrs. Kalbach Improving From Severe Burns

A quiet evening at home in less than one minute's time became a night of terror for the Huber Kalbach family, 5991 Hellman avenue, Alta Loma, when Mrs. Kalbach's clothing caught fire as she warmed herself at the fireplace in the living room of her home.

Mrs. Warren Kalbach, mother-in-law of the victim, witnessed the horrible fire suddenly engulf the victim's clothing, leaving her suffering from first, second and third degree burns in only about 40 seconds time.

Showing slow but steady improvement at San Antonio Community hospital, Mrs. Kalbach will be hospitalized for some time. At the time her nightgown and robe were burned off her back, the carpeting in the home was also ignited but was quickly extinguished by 14-year-old Danny Kalbach who rushed into the house with his father after they heard Mrs. Kalbach scream.

The two children of Mrs. Kalbach away at college were not notified of the accident as they were undergoing final semester examinations. Mary Kalbach returned home this week from the University of Arizona, Tucson, for mid-semester vacation.

At the time of the accident, Mr. Kalbach and son Danny were working on the clean-up of the severe wind storm about their country home.

Hart Lauds City Council Action

Rev. Trusten A. Hart, president of the Upland Ministerial union, expressed gratitude yesterday the Upland city council has adopted a policy of opening its meetings with an invocation and he or some other local minister will be at the Feb. 4 meeting of the local council.

Decision to open their meetings with prayer was reached by the councilmen recently and City Clerk Hazel Cassell was directed to notify the ministerial union and to suggest a minister be present to officiate. The organization of ministers does not meet until later in the month but the Rev. Mr. Hart said he would arrange for someone to be at the Feb. 4 meeting of the council.

Several months ago the idea of opening the sessoins with an invocation had been suggested. The practice is being followed by many city councils, according to a letter read at the Jan. 21 meeting from Mayor Christopherson of Turlock. The local councilmen then voted to ask the cooperation of the local ministers.

Pour Footings For School

Footings for the new Baldy View Elementary school on West Eleventh street, west of San Antonio avenue, will be poured early next week it was announced today by Harold W. Cook, Upland district superintendent of schools.

Forms for the concrete footings are now in place. Progress on the school construction has been held up by the heavy rains. The contractor could not move heavy equipment onto the area as the ground had been plowed and the rains made it virtually impossible to move the equipment in the deep mud.

The pourings will be poured early next week if heavy rains do not make it impossible.

Cafe Burglary Discovered By Sgt. McCarthy

Sgt. J. E. McCarthy of Upland Police department discovered a burglary early yesterday morning at Sandy's cafe, formerly Leonard's cafe, at 725 East Foothill boulevard. Wine, chewing gum and the pennies left in the cash register were taken.

Sgt. McCarthy discovered the burglary on noticing a window pane broken at the rear of the cafe building. The investigation by Sgt. McCarthy and Officer Vern Colvin revealed a large rock had been thrown through the window pane, through which the burglar unlocked the rear door to the cafe.

Francis Haney of Whittier, proprietor of the cafe, was called to the scene and determined the goods stolen. The burglary was discovered at 3:20 a.m.

Mrs. Nina Schacht, 278 North Tenth avenue, is a patient at San Antonio hospital, entering for major surgery.

Final Selection February 10

Queen Contest Assured As Two Seek Title

MISS FRANCES MATTSON

MISS JILL KARP

An Upland Orange Queen contest was assured today after two queen contestants were registered at the Chamber of Commerce office by Mrs. Lillian Hilde, secretary.

Seeking the Upland title and the right to represent this city in the contest for selection of a National Orange show queen are the Misses Frances Mattson and Jill Karp.

TUESDAY DEADLINE

Tuesday February 2, is the deadline for entries in the Upland contest and the judging and selection of the local queen is scheduled for Wednesday, February 10, at the public program in the Elementary school auditorium. Program plans are still incomplete, Mrs. Hilde states.

Seventeen-year-old Frances Mattson is the daughter of Mr. and Mrs. Francis Mattson, 181 South Euclid avenue, and is a senior at Chaffey High school where she is following a business course. Among her favorite studies is modern dancing and she is interested in a modeling career. A statuesque five feet, seven inches, the queen aspirant is a blonde with blue eyes and weighs about 118 pounds. She works after school at the Grove theater.

MISS KARP ENTRANT

Miss Karp, 19-year-old daughter of Mr. and Mrs. Carl Karp, 108 West Eighth street, is also a senior at Chaffey High school where she pursues a Homemaking study course.

Leatherwork is the hobby of Miss Karp, a brownette, hazel-eyed title seeker who is five feet 4½ inches tall and weighs 140 pounds. Other than doing leatherwork, she says she enjoys playing the ukulele.

Two queen candidates registered late Wednesday by Mrs. Hilde are Miss Marilyn McIntosh, 17, daughter of Mr. and Mrs. Paul McIntosh, 711 East Ninth street, and Miss Darlene Keefer, 17, daughter of Mr. and Mrs. John C. Keefer, 423 Sixth avenue.

Haack's Store Will Reopen on Friday

George E. Haack's store will reopen Friday after being closed for alterations and restocking following the fire that ruined all of his merchandise and damaged his store room. The fire occurred a month ago.

Since then, the store has been repaired and repainted and new merchandise has been stocked. All of the merchandise in the store at the time of the fire was removed as a total loss.

Mr. Haack, whose store is at 281 North Second avenue, expressed appreciation for the fine cooperation given by many individuals and firms.

Mrs. Maurice Bonillas, 9665 Estacia court, Cucamonga, was dismissed from San Antonio hospital Friday after surgery.

Sunkist Sells Timber Tract

Due to the use of fibreboard boxes in the sale of citrus fruit, the Fruit Growers Supply Co. has sold its pine timber holdings on the so-called Burney tract in Shasta county, according to an announcement yesterday by local officials of the Ontario-Cucamonga Fruit Exchange.

The supply company is part of the Sunkist Growers organization and the timber had been scheduled for use in making of citrus containers.

All local members of the Sunkist Growers will be directly affected by the release of capital investments through sale of the property. The supply company retained the fire timber on the tract for the possible "manufacture of a new-type container."

San Antonio Canyon Access Route To Be Detoured To Electric Avenue

Mountain avenue will be closed to traffic March 1 and motorists going into San Antonio canyon will be required to use a detour west of the avenue at Twenty-fifth street.

Progress in the building of the multi-million dollar flood control dam across the canyon has reached the point of making necessary closing of the avenue, according to a report of the U. S. army engineers to the San Bernardino County board of supervisors.

CLOSE EAST APPROACHES

All present approaches on the east side of the canyon will be closed as soon as a detour route is completed, the work to be done by the army engineering corps. The detour will be ready for use within two weeks, according to indications yesterday.

The detour will be on Twenty-fifth street, west of Mountain, to Electric avenue. Electric avenue will be extended north and connect with the present road to the Mt. Baldy resorts about a mile above the detour or at a point near the so-called Butterfly ranch, owned by W. F. Hewlett. The "gravity hill" approach to the canyon road will also be closed.

ROAD READY IN AUGUST

San Bernardino county highway department, with federal funds, is constructing a new permanent road leading into the canyon north of the dam site but this will not be completed until August, according to Supervisor Will R. Mason of Upland. The detour route will be used until the new highway into the canyon is paved and ready for permanent use.

Mr. Mason suggested that persons from this area going into the canyon might find it advisable to get on to Mountain avenue as soon as possible and proceed north to the detour.

The new road under construction for use by canyon motorists now leads east off of Mountain avenue at Twenty-fourth street and inclines north-east through the San Antonio Heights and connects with Twenty-fifth street at Mountain drive. At this point it inclines north of Twenty-fifth street an a westerly direction to the canyon road near the Butterfly ranch.

BIDS DUE FEBRUARY 16

Feb. 16 is the date for the opening of bids in the construction of the dam. The contract to be

Red Hill Country Club To Select Two Directors Feb. 4

Election of two directors for Red Hill country club will take place Feb. 4 at the annual meeting of the club, it was announced today.

Members of the board of directors whose terms expire are L. D. Ruppert of Pomona, and N. E. Trautman of Ontario. Neither are candidates for re-election.

Four candidates on the ballot, with two to be elected, are Commander Claude L. Boles, USN-Retried, Leon F. Lucas and Mitchell A. Thompson, all of Ontario, and Frank Mosher of Red Hill.

Gilmore Heads Citrus Belt Firemen

L. E. Gilmore, member of the Upland Fire department for the past 10 years, is today the president of Citrus Belt Firemen's association, a branch of the California State Firemen's association.

Ontario Fire department hosted the monthly meeting of the group, composed of regular and volunteer firemen of Riverside and San Bernardino counties, Tuesday night in Ontario. Mr Gilmore was elected president at this meeting.

His previous offices with the association were terms as secretary and sergeant-at-arms. He has been a member since joining the Upland Fire department.

Leon G. Lamphear, another Upland fireman, was appointed by President Gilmore to serve as secretary-treasurer of the Citrus Belt firemen for the year. Other officers elected were Mike Riley Riverside, first vice-president Carl Wagner, Redlands, second vice-president, and Charles Ulrey state forestry ranger, San Bernardino, sergeant-at-arms.

A training film on fire fighting and use of masks and oxygen by firemen completed the program of the monthly meeting.

Rotarians Hear John Baumgartner Speak On Club Histories

John Baumgartner, 242 North Laurel avenue, as program chairman of Upland Rotary club for the noon luncheon meeting yesterday, presented the program for the day.

Mr. Baumgartner gave an attendance report for the club, then presented brief histories of the local Rotary club and of Rotary International.

Foothill-Archibald

State's Finest Traffic Signals In Operation

Members of Cucamonga District Safety council can look with pride today at the state's finest system of traffic lights placed in use Monday at the intersection of Archibald avenue with Foothill boulevard (Route 66).

It has been almost six years since the organization began the consistent and cencerted efforts which resulted in the installation of the traffic signal lights at Cucamonga's main intersection.

No longer will north and southbound motorists on Archibald avenue wait for Foothill boulevard traffic to clear in order to cross or turn onto the highway. Pedestrian buttons on the light poles on the west side of the intersection provide a means whereby pedestrians can change the lights in their favor when crossing the boulevard.

Work on the new traffic signal system was begun early in October and completed early last week. The lights were kept flashing last week, red on the Archibald approaches and caution on the Foothill approaches, to acquaint motorists with the new system.

The new installation includes approach islands and turning lanes. Signals for motorists making left turns off of Foothill boulevard are also provided.

March Of Dimes Total Climbs Toward Goal In Final Days Of Drive

March of Dimes collections in Upland today total $734.31, with only three days remaining in the month-long campaign, according to Walter F. Kelley, Jr., drive chairman.

Mr. Kelley expressed himself as sure the drive quota of $2,000 will be approached in the drive, but that the $1300 collection of 1953 will be surpassed.

Funds accounted for in the above total represent money from coin collectors, contributions from Upland school students, money left at the local banks and some personal checks. It does not include contributions mailed to county headquarters.

Sub-District Governor Installs 20-30 Officers

Pictured in a pre-installation picture at Sycamore Inn Saturday night are the new officers of Upland 20-30 club. Standing, Sub-District Gov. Carl Steward of Pomona (left) presents the club gavel to the new president, Ed Wilson, right. In the center Gerald Hays, outgoing president, beams his approval. Seated, left to right, are other officers installed: Bill Ryan, first vice-president; Rex Gaunt, second vice-president; and Albert Paycek, secretary. Missing from the picture is Fred Mefferd, treasurer. Directors installed were Bill Harrer, Dick Lachman and George Ludwig.

Nellie Burton Is Bride Of Marine Corporal

Mr. and Mrs. William A. Burton 299 North Campus avenue, are announcing the marriage of their laughter, Nellie, to Cpl. Russell Anthony Latona, U. S. Marine Corps.

The couple exchanged vows Sunday afternoon at 2 o'clock in a ceremony performed by Judge Fred H. Jacobs at his home, 411 North Eighth avenue. Only immediate relatives and a few close friends were in attendance.

For her wedding costume, the bride chose a pale blue jersey dress, and a small flower-trimmed hat with short veil. Her corsage was of red rosebuds.

Mrs. Charley A. Harding attended the bride as matron of honor, and the bride's father was best man for the bridegroom.

Following the ceremony, a reception for friends and relatives was held at the home of the bride's parents, and refreshments were served.

The new Mrs. Latona will continue her studies at Chaffey high school, where she is a senior student.

The bridegroom, who has been stationed at Camp Pendleton, is leaving January 29 for duty in Korea.

Sierra Vista P-TA Hears Talk On Child Guidance

"Helping the Child Grow" was the subject of a talk by J. W. McDaniels before members of the Sierra Vista Parent-Teacher association at their meeting Thursday afternoon at the school. He is assistant superintendent in charge of curriculum at Valley College in San Bernarino.

He discussed changes in concept in child rearing in the last 50 years, and explained some of the modern views in child guidance.

Calvin Rainey, music supervisor, was in charge of the musical program. To open the meeting he and Tom Schulz played "The Star Spangled Banner" as a duet. Arthur Perez entertained with accordion selections, and the third and fourth grade pupils gave a number of songs.

During the business session conducted by the president, Mrs. Earle T. Casler, a nominating committee was appointed to prepare a slate for the coming election. Named were Jesse Jensen, principal, and the Mesdames Raymond Kay, Vaughn Dunlap, Allen Palmer, Arthur Lichti and James V. Latimer.

Third grade mothers were in charge of the social hour which followed the meeting, with Mrs. Allen Palmer and Mrs. W. H. Hamilton, room mothers as hostesses.

Presbyterian Women To Meet February 4

Thursday, February 4, is the time for the monthly meeting of the Women's Association of the First Presbyterian church, to be held in the church social hall.

Luncheon speaker will be Miss Dorothy Wagner, of San Francisco, secretary of the western area, Board of Foreign Missions, according to Mrs. Homer G. Glunt, program chairman.

Mrs. Kent W. Fuller, president, will open the morning session at 10:45 o'clock.

The noon luncheon will be served by Group 2, of which Mrs. H. Schuyler Hoard is leader.

Mr. and Mrs. Jerry Swenson Are Establishing Home in Upland

Back from a honeymoon at La Jolla, Mr. and Mrs. Jerry L. Swenson are residing at 238 North Tenth avenue.

The bride is the former Marie Izquierdo and is the daughter of Mrs. Isaac Izquierdo, 703 East E street, Ontario. The bridegroom's parents are Mr. and Mrs. Alfred Swenson, 1304 North Campus avenue, Ontario.

Their marriage was solemnized last Thursday evening in the First Presbyterian church in the presence of some 40 relatives and friends. The Rev. Trusten A. Hart, pastor, read the double-ring service at 8 o'clock.

Large baskets of white chrysanthemums and branched candelabra decorated the church chancel. The traditional wedding marches were played by the organist, Mrs. Earl H. Johnson.

Given in marriage by her brother-in-law, Frank Acosta, the bride was charming in a waltz-length gown of white faille, with lace bodice and peplum. Completing her costume was a small lace hat, trimmed with pearls, securing a shoulder-length veil. She carried an orchid on a white Bible.

The bride's only attendant was her sister, Rosario Relph, who wore a waltz-length gown of sea green faille with yellow accessories. She carried a bouquet of yellow carnations.

John Swenson of Newport was best man for his brother, and ushers were Dr. Robert Swenson, another brother, and Jim Jeffries of Whittier.

The bride's mother was attired in a two-piece dress of powder blue faille, with navy blue accessories, while the mother of the bridegroom wore a steel gray taffeta dress with navy blue accessories.

Following the nuptial rites, a reception was held at the bride's home, where refreshments were served by Emily Angellotte, Joyce Rogers, Flora Ammannito and Gloria Acosta. Karen Acosta had charge of the guest book.

When the bridal couple left for their honeymoon, the bride was wearing a white knit suit with navy blue accessories.

The new Mrs. Swenson is a graduate of Chaffey high school and attended Chaffey college. She is employed by the law firm of Busch and Maroney. Her husband, a graduate of Chaffey high school, is employed at Barson Machine Works.

New Officers Introduced at Group Meetings of Presbyterian Women

A visit from Mrs. Kent W. Fuller, president, and Mrs. Trusten A. Hart, advisor of the Women's Association of the First Presbyterian church, was a feature of the first 1954 meeting of the four groups of the organization last Thursday afternoon.

Also a traveling program visited each group. This included a clever telephone skit by Mrs. Robert L. Jones and Mrs. Bruce Claflin explaining where the money in the budget goes; and another skit, "20-20 Vision", in which Mrs. Francis H. Rogers and Mrs. Robert Thrall envisioned the church program, emphasizing the church publications.

Officers were introduced at the meeting.

Group 1 met in Kirkhouse, where Mrs. Clifford Beekman, chairman and Mrs. O. D. Davis co-chairmen, were hostesses. Other officers are Mrs. Daniel B. Milliken, program; Mrs. Allan S. Barr, world service; Mrs. Charles Jordan, treasurer; Mrs. Francis H. Rogers, house chairman; and Mrs. Violet Beattie, fellowship.

Officers introduced at the meeting of Group 2 held at the home of Mrs. Leslie C. Howe and Mrs. Margaret McVean, 537 North Sixth avenue, were Mrs. H. S. Hoard, chairman; Mrs. Howe, co-chairman; Mrs. H. J. Warner, program; Mrs. W. E. Oswald, world service; Mrs. Claude Owen, treasurer; Mrs. Clyde DeLong, house chairman; and Mrs. Frank Phillips, fellowship.

Miss Julia Rugg entertained members of Group 3 at her home, 824 North Second avenue, with Mrs. Thomas Knox and Mrs. Florence Laird assisting. Officers are Mrs. Lovon Phillips, chairman; Mrs. Jesse Monroe, co-chairman; Mrs. Ernest W. Fischer, program; Mrs. Gladys Kelly, world service; Mrs. Robert Nesbit, treasurer; Miss Rugg, house chairman; and Mrs. Herman Wesp, fellowship.

Members of Group 4 were guests of Mrs. Robert L. Jones, 802 West Rosewood court, Ontario, with Mrs. H. A. Hixson and Mrs. Charles Bowser, co-hostesses. Officers presented were Mrs. Earl Williams, chairman; Mrs. Eva G. Moore, co-chairman; Mrs. M. G. Jones, program; Mrs. Clara Tilden, world service; Mrs. Frank K. Nichols, treasurer; Mrs. Harold Webster, house chairman; and Mrs. J. H. Siegrist, fellowship.

Solano Club Elects Officers

New officers were elected at the meeting of the Solano club last Wednesday afternoon at the home of Mrs. Etta Johnston, 904 West Eighth street. Mrs. S. S. Parmenter was chosen president to succeed Mrs. Ralph J. Wilson, and Mrs. Charles L. Dinger, secretary-treasurer.

The remainder of the time was spent discussing current events and visiting. Mrs. Johnston served a dessert luncheon to open the meeting.

Present were the Mesdames Minnie D. Goodrich, Sim Bonsall, Charles L. Dinger, Emma Lambert, W. T. Schaffner, Ralph J. Wilson, S. S. Parmenter, Frank C. Buffington and the hostess.

Providing an interesting program for the January meeting of the Chaffey Wives club Tuesday evening in the faculty room of the Student Union building, Mrs. William Bowers, a member, showed colored slides, while Mr. Bowers gave a commentary, reviewing their trip by bicycle last summer when they toured several European countries. By this mode of travel they reached many points of interest not usually available to tourists.

Mrs. Elwood Chapman, president, conducted a brief business session before the program.

Refreshments were served from a table decorated in a valentine motif, with a large heart centerpiece with white and red carnations and red candles. Mrs. Chapman and Mrs. Harvey Shirk poured.

Mrs. Ralph Almquist and Mrs. Jack White were co-chairmen for the evening, and were assisted on the committee by the Mesdames William Bowers, John Burnison, William Gable, Paul McGill, Charles Miller, Archie L. Moore, Owen E. Moore, Melvin Pedvin, Charles A. Perrin, Harvey Shirk, Roland Thunell and Harry Yochem.

Mrs. Fran Whitfield, Jr., 818 North Tenth avenue, is a patient at San Antonio hospital, entering for surgery.

Janeth Brown and Harold Barnett Exchange Vows in Church Ceremony

The Upland Methodist church, the Little Cathedral of the Foothills, was the setting for a lovely wedding Friday evening when Miss Janeth Elda Brown, daughter of Mrs. May Brown, 306 North First avenue, became the bride of Harold Maxley Barnett, of Ontario, son of Mrs. Olive Windsor, 218 West Citrus, Redlands.

Dr. Ralph W. Lee, pastor, read the double-ring rites at 7 o'clock in the presence of about 50 relatives and friends. Large baskets of white stock and four candelabra decorated the chancel.

Mrs. Carl D. Hess, organist, played the traditional wedding marches and accompanied the vocalist, Mrs. Lucille Scott, who sang "Because" and "O Promise Me".

Given in marriage by her brother, Harl J. Brown of El Cajon, the bride was attractive in a ballerina-length gown of lace with silver sequins over taffeta. Her waist-length veil was held in place by a coronet of orange blossoms, and she carried a bouquet of white carnations centered with two orchids.

Attending the bride as matron of honor was her sister, Mrs. James G. Fero, who wore a ballerina-length gown of pink net and lace over taffeta, and carried a bouquet of sweet peas.

George E. Brown of Upland, brother of the bride, served the bridegroom as best man, and the ushers were James G. Fero and Stanley Brown of Compton.

The mother of the bride was attired in a two-piece dress of blue-gray, accented by a corsage of pink carnations, while the bridegroom's mother chose a coral red dress with white carnation corsage.

Following the ceremony, a reception was held at the home of Mr. and Mrs. James G. Fero, 923 North Third place. After the bridal couple had cut the first slice of the three-tiered cake, Mrs. Harl J. Brown continued the cutting and serving. Miss Jessie Brown and Mrs. Henry Hill of Santa Paula, aunts of the bride, presided at the punch bowl, and Miss Lois Sarina was in charge of the guest book.

After a honeymoon trip to an unannounced destination, the newlyweds will be at home to their friends after February 1 at 116 North Cherry avenue, Ontario.

The new Mrs. Barnett, who has lived in this community for the past seven years, was graduated from high school in Culbertson Nebraska. She is employed as bookkeeper clerk at Ontario Community hospital.

Owner of the Barnett Ambulance Service, the bridegroom received his education in the Redlands schools. He served for four and a half years in the medical corps of the U. S. Army, with 27 months overseas duty.

Out-of-state guests at the wedding were Mr. and Mrs. H. R. Evans of Hayes Center, Neb. and Mr. and Mrs. C. E. Gummere of Stratton, Neb.

Episcopal Women To Hear Talk By Rector

The rector, the Rev. Joseph A. Erickson, Jr., will address members of the Woman's Auxiliary of St. Mark's Episcopal church at their monthly meeting Monday afternoon at 2 o'clock in the parish house. His subject will be "Christ Call to Mission and Unity Through Worship".

Mrs. Howard D. Bowies, president, will preside.

Hostesses for the social hour are the Mesdames James Quinn, James Blackshear, Flora Schenck and P. W. Mattly.

New Rebekah Officers Given Instructions

Mrs. Earl J. Head, district deputy president, gave instructions to Mrs. Lee Bigley, noble grand, and her staff at the meeting of Silver Link Rebekah lodge Friday evening in the I.O.O.F. hall the first since their installation.

All members who desire to have a secret pal during the year are asked to notify Mrs. Bigley.

Mrs. Ira Francisco and her committee were in charge of the social hour, during which refreshments were served.

The four daytime circles of the Woman's Society of Christian Service of the Upland Methodist church are holding their monthly meetings on Thursday, February 4.

Members of the Dorcas circle will meet in the church parlor for a potluck luncheon at 12:30 o' clock.

Mrs. Kerns A. Overton will entertain members of the Miriam circle at her home, 8619 Baker avenue, Cucamonga. Mrs. Owen M. Feltham will be co-hostess, and a dessert luncheon will be served at 1:30 o'clock.

Mrs. C. W. Southworth and Mrs. William Barber will be co-hostesses to members of the Rachel circle at the Southworth home, 228 South First avenue. They will serve a dessert luncheon at 1:30 o'clock.

The meeting of the Lydia circle will be held at the home of Mrs. Elmer T. Radfield, 33 West Seventeenth street, opening with a dessert luncheon at 1:30 o'clock. Assisting hostesses are Mrs. Fred F. Thornburg and Mrs. Bert Hendy.

Ada Cooper Speaks At AAUW Meeting

Miss Ada Cooper of the staff of the First National bank discussed the role of women in the banking profession at the monthly meeting of the Status of Women section of the Pomona Valley branch of the American Association of University, held last Thursday evening at the home of Mrs. J. Tilden Abram, 612 Highland court.

Miss Elsie Hamilton, chairman of the group, announced a new member, Mrs. Celesta Walters of Ontario.

The February meeting will be held in Claremont at the home of Miss Susan West.

Brownies Enjoy Birthday Party

At their meeting last week in the Girl Scout house, members of Brownie Troop 19, of which Mrs. Fred Mefferd and Mrs. Donald Swihart are leaders, celebrated their first anniversary with a birthday party.

Receiving their one-year pins were Susan Brewer, Sharon Benton, Kathy Gwillim, Carlo Jo Hayes, Jeannie Mefferd, Ann Reading, Mary Earl Skewis, Patsy Swihart, Jeannie Trepani and Bonnie Thrasher.

Marie Kulhavy and Marilyn Maxwell were welcomed as new members of the troop.

Mothers presented with Girl Scout pins as committee members were the Mesdames Ray Brewer, J. R. Gwillim, Trepani, Mefferd, Swihart, Charles B. Shuford and Harry J. Reading.

Games were played, and refreshments were served by the Brownies.

The next meeting will be held Saturday morning at 10:30 o'clock at the home of Marilyn Maxwell, 1638 Huntington drive.

Power Lines, Pole Occupy Firemen

Shorted power lines at Euclid avenue and Ninth street Saturday morning were repaired by Edison crews after Upland Fire department and Upland Police department stood by pending their arrival.

Monday, a power pole afire between Euclid and San Antonio avenues on Foothill boulevard was serviced by the Fire department, which stood by until an Edison crew arrived to repair a transformer which burned out, starting the pole fire.

Peggy Palmer Becomes Bride Of James Colman in Church Ceremony

In rites held Friday evening in the First Presbyterian church, Miss Peggy Palmer, daughter of Mr. and Mrs. Donovan Elliott Palmer, 1647 North Euclid avenue, exchanged wedding vows with James Allen Colman, son of Mr. and Mrs. Carl Colman, 808 North Gordon street, Pomona.

About 300 relatives and friends witnessed the double-ring ceremony performed by the pastor, the Rev. Trusten A. Hart, at 7 o'clock. Magnolias and white stock and greenery were used in decoration of the church.

As the guests were assembling, Mrs. Earl H. Johnson gave a prelude of appropriate selections, and the traditional wedding marches marked the entrance of the bridal party and the recessional.

The lovely bride, given in marriage by her father, wore a Cahill model gown of Alencon lace over ivory satin. The fitted bodice was fashioned with high neckline and small round collar, and long tight sleeves. The full skirt fell into a chapel train. Her fingertip veil which was held in place by a lace headpiece, was the one worn by her mother at her wedding. She carried an arm bouquet of white roses and hyacinths.

Miss Barbara Jane Palmer was her sister's only attendant. She wore a waltz-length gown of green silk shantung, and carried pink rosebuds.

Carl Colman, Jr. of Arvin served his brother as best man; and ushers were Henry Rollins of Pomona, Jack Hansen and Don Heavenston.

The bride's mother wore a dress of gray figured surrah silk with white camellia corsage, while the mother of the bridegroom chose a blue crepe dress with pink camellia corsage.

Following the church ceremony, a reception was held at the home of the bride's parents, where Mrs. David Armstrong received guests at the door, and Miss Janetha Armstrong had charge of the guest book.

After the bridal couple had cut the first slice of the tiered cake, Miss Ann Owens and Mrs. William Sweet, Whittier college friends of the bride; Mrs. E. Birch Harrison and Mrs. Warren Wass served the cake. Pouring were Miss Ruth Colman, sister of the bridegroom; Mrs. Richard DuVall, Mrs. William Stover and Mrs. William R. Mason.

When the newlyweds left on a honeymoon trip to the Grand Canyon, the bride was wearing a navy blue suit with matching accessories. On their return, they will establish their home in San Bernardino.

A native of Upland, the new Mrs. Colman is a graduate of Chaffey high school, and received her degree from Macalester college, St. Paul, Minnesota. She did graduate work at Whittier college for her teacher's credentials, and now is teaching first grade in the Alta Loma school.

The bridegroom, who is employed in the office of the county superintendent of schools in San Bernardino, was graduated from Redlands University, and did graduate work there and at Pomona college. He served for four years with the U. S. Navy, a year of that time overseas, and attained the rank of lieutenant, junior grade.

The bride's grandfather, J. R. Gathercoal, came from Wilmette, Illinois, to attend the wedding.

Work With Blind Described For DAR Members

A talk by Mrs. Frank L. Allen on work with the blind, a service in which she and Mr. Allen have been active for more than four years, was of much interest to members of San Antonio Chapter, Daughters of the American Revolution, at their meeting Monday afternoon at the home of their regent Mrs. Harold Thorniley, 132 East I street, Ontario.

Mrs. Allen explained that the Ontario Braille club is sponsored by the Lions club and is independent of all other Braille organizations. Many groups have given active assistance.

Mrs. Thorniely presided. Mrs. O. B. Thomson was named corresponding secretary to succeed Mrs. C. A. Fleming, who is moving from this area. Mrs. M. L. Gottfried spoke of current problems relating to national defense.

The Mesdames Homer G. Glunt, F. W. Wikoff and W. T. Garner were elected delegates to the state conference to be held March 16 at the Statler hotel in Los Angeles; with the Mesdames W. B. Harvey, O. B. Thomson, F. E. Opitz and C. A. Mayo, alternates. Mrs. J. W. Onstott will represent the chapter at the Continental Congress in Washington, D. C. in April, with Mrs. J. T. Stivers as alternate.

Tea was served at the close of the afternoon. Assisting Mrs. Thorniley on the hostess committee were the Mesdames Fleming, Thomson, G. P. Weldon, E. C. Bishop and F. R. Barrett.

Others present were Mrs. J. E. Murphey, a guest; and the members, Miss Anna Hamilton and the Mesdames Frank L. Allen, W. T. Garner, H. G. Glunt, P. L. Goddard, M. L. Gottfried, W. B. Harbidge, Ray Joy, W. F. King, T. M. Lee, Earl S. Looker, C. A. Mayo, F. E. Opitz, Kerns A. Overton, Margaret Reichardt, E. S. Seapy, J. R. Shinkle, G. F. Underwood, and F. W. Wikoff.

Clubwomen Attend Brawley Meeting

Eleven members of the Upland Woman's club motored to Brawley yesterday to attend the board meeting of the Southern District.

In the group were Mrs. Robert L. Jones, president. Mrs. Asger Ravn, Southern District president, Mrs. Jack Dorrity, president of the Cucamonga-Alta Loma Woman's club; Mrs. Homer G. Glunt, Southern District religion chairman; and the Mesdames Charles Shuford, G. A. Brest, Elmer T. Redfield, J. F. Sawyer, Effie Hood, Sadie Rider and Walter D. Hewitt.

Accompanying the Upland members was Mrs. Ernest O. Lee of the Ontario Woman's club, who was the morning speaker for the meeting.

BPWC Members At Conference

"We Build Through Friendship" was the theme of the joint conference of San Orco District and Southern District, California Federation Business and Professional Women's clubs, held last week end at the El Mirador hotel in Palm Springs.

Mrs. E. Tweed Stone, president, presided over the business session for the San Orco District, and presided jointly with Mrs. Evelyn Coe Wilson, Southern District president, at the Saturday evening banquet. Mrs. Stone also introduced Virgil Pinkley, who was the Sunday morning speaker.

Others attending from Upland were Mrs. John Klusman, president of the Upland club; Miss Ada Cooper, district attendance chairman; Miss Frances Barks, district year book chairman; Miss Lois Brown, who was elected to the election board for the annual election in May; the Misses Velma Owen, Doreen Hill and Florence Andrews; the Mesdames Effie Hood, James V. Latimer and Merrill Z. Conn; and Miss Willamene Harnly, a guest.

Comical Fashion Shows Entertain Guests at Woman's Club Party

Fashion shows are usually dignified events, designed to display both the styles and the models to the best advantage. Quite the contrary was the entertainment presented by both new members and older members at the party honoring new members held Friday evening at the club house.

Mrs. Wayne Steffler acted as mistress of ceremonies for the new members, and presented as models Mrs. Richard Saddler, Mrs. Michael J. Morgan, Mrs. Blanche Olmstead, Mrs. John MacFarlane, Mrs. John Wheelus and Mrs. Kenneth Stansbie. Their costumes were not designed for flattery and created much laughter.

No less laugh-provoking were the outfits displayed by members who have been in the club for a longer time. They included the Mesdames Campbell Bane, Robert L. Jones, Harold McCreight, William Walton, Clyde R. Tigert, Herman Baker, James C. Stamm, Jr., Asger Ravn, Ralph Miller, Clark Green, Loren Robinson, Harry M. Wright and Jarvis Leman. Mrs. Marion Maxwell was the clever narrator for this part of the program.

Mrs. Robert L. Jones, club president, welcomed the members and their guests; and during the intermission in the program, Mrs. Clyde R. Tigert, membership chairman, read the names of the new club members.

Refreshments were served from a table centered with a golden ball surrounded by camellias and sweet peas. Mrs. Wayne Steffler poured.

Catholic Daughters Have Canasta Party

Prizes were won by Mrs. B. O. Atall, Mrs. S. L. DeAmbrogio and Miss Lucy Ricci when the canasta section of Court Our Lady of Fatima, Catholic Daughters of America, met last Thursday evening at the home of Mrs. Jacob F. Breda, 213 South Euclid avenue.

Refreshments were served by the hostess at the close of the evening.

Others present were the Mesdames M. M. Berninger, F. C. Castellini, J. C. Eklund, P. A. Guthrie, D. E. Harp, A. R. Jacobs, L. D. Kiersey, Jules Oudette, Frank Pavese, William Roth, J. C. Michallak, T. L. Murray; and Miss Marilyn Breda.

The table was decorated by Mrs. Ed A. Parker and Mrs. Blanche Olmstead, while Mrs. Parker and Mrs. W. H. Brown were responsible for the bird-of-paradise arrangement on the stage.

The refreshment committee included the Mesdames Effie Hood, James Syren, Robert Nesbit and C. Ray Brewer. On the serving committee were Mrs. Dan Matthews and Mrs. Olmstead. New members chairmen were Mrs. George Kreigh and Mrs. Wayne Steffler.

New club members are the Mesdames Lonnie Blanton, Leslie A. Kalil, Quito Laubach, John R. McNay, Robert Nesbit, James N. Sexton, Dale Stevens, J. P. Strack, D. O. Townsend, John W. Wheelus, Stanley C. Bowman, Homer Crocheron, Frank Manville, John MacFarlane, Richard Saddler, L. B. VanOrnam, C. Ray Brewer, Howard W. Collins.

Situation Could Become Critical

Weather, Labor Curtail Harvest

Orange picking is under way today and the volume of fruit going to the packing houses will be determined by weather conditions, labor supply and other factors.

Four hundred Mexican nationals are in the Southern California Farmers association camp on East Arrow highway with about 1,100 other persons in the area available for the orange and lemon harvest, it is reported.

Local officials will watch with interest the results of the international discussion concerning the number of additional Mexicans permitted to enter the United States for service in the crop harvest. The labor supply could become critical if weather and market conditions justified a full scale picking program, it is pointed out.

At this time a year ago, the labor supply was larger, 500 nationals being at the local camp and the number of other available workers was larger, according to Jerry Wilson, associated with the local Mexican national camp.

Local citrus associations will employ local residents for picking and packing but normally, several hundred Mexican nationals are used to supplement the local manpower.

Due to the storms earlier this week, citrus fruit picking for the week has been curtailed. If bright skies continue, however, orange harvest will be general throughout the Upland, Alta Loma-Cucamonga district, according to reports.

Lemon harvest will also be increased in volume as the season progresses. While weather is the determining factor now as to the scope of picking, the labor supply may be a factor within a month, it is predicted.

Church of the Nazarene Revival Features Speaker, Soloist

THE REV. C. T. CORBETT

First Church of the Nazarene is conducting a revival campaign which continues each night, except Saturday, through Sunday, Feb. 7th. The hour of service is 7:30 p.m. it was announced today by the pastor, William E. Thompson.

Rev. C. T. Corbett, of Kankakee, Illinois, is the guest speaker. He is a man of unusual gifts and is in popular demand over the nation, the Rev. Mr. Thompson states. He has been preaching for over 30 years and has travelled in all forty-eight states of the Union as well as in eight provinces of Canada and four states in Mexico.

MRS LAURA M. GODFREY

Mrs. Laura M. Godfrey, of Pasadena, is in charge of the singing and in addition to directing the congregational singing each meeting she will also sing solos. Mrs. Godfrey is a contralto and has been a song evangelist for a number of years in the Church of the Nazarene.

The membership of the church unites in extending a welcome to Uplanders and their neighbors to enjoy these meetings.

Water Rips Out Roadbed In Arrow Dip

San Bernardino county crews have been working at a fast pace on repairing damage to Arrow highway in the wash area between Central avenue and Claremont, and cleaning out the conduit under the highway before the next rain falls.

Sunday night and Monday, the heavy flood waters coming down the wash from San Antonio canyon filled the culvert with silt and as the water overflowed across the dip in the roadbed, the south traffic lane of the road was washed out.

Tuesday a gaping hole from five to eight feet deep about five or six feet wide in the roadbed at the dip left only one lane open to traffic and danger signs at Central avenue and at Claremont kept traffic on the artery at a minimum. Some water still crossed the road, falling into the chasm and flowing under the retaining wall of stone at the south edge of the roadbed.

Repairs cannot be completed until the culvert and the approach channel are cleared, the canyon-like hole in the roadbed filled and allowed to settle before repaving is possible.

Juvenile Officer Is Cucamonga PTA Speaker

Roger Sagouspe, Ontario juvenile officer, was guest speaker at the meeting of the Parent-Teacher association of the Cucamonga school last Thursday afternoon. He discussed many teenage problems, and stressed the importance of the part that parents and teachers play in forming character in children.

Vote Registration Service Offered For Monday Night

To serve people who cannot register to vote during the daytime, the Upland American Legion clubhouse will be open next Monday night from 7 to 9 p.m.

Mrs. Harry Plum, local deputy registrar, will be in the clubhouse to aid in qualifying all interested persons for the voting privilege. Col. D. J. Rutherford, commander of the legion, has made arrangements and is taking a lead in the register-to-vote campaign.

The clubhouse is on Arrow highway, just west of Grove avenue and the general public is invited to take advantage of the service.

Three Plans For Chaffey Campus Are Discussed

Members of the Chaffey advisory finance committee today have the opportunity of eventually helping to decide what facilities will be built to serve the expanding Chaffey student bodies of the future.

Three alternative plans are under consideration. One plan is for the Chaffey college to use all of the Chaffey campus on Euclid avenue. Another plan is for the high school to use all the campus and the third plan is for the college to get new buildings north of Fifth street and use the present athletic facilities for the time being.

Superintendent Dan B. Milliken presented the problems at the committee meeting last week. Decision is not expected for many months.

By 1958 this may be the enrollment:

1800 students in Chaffey college.
8000 students in Chaffey High school

Due to this student increase, added facilities will be necessary and Mr. Milliken has asked the committee members and the general public to help decide on how the future facilities will be developed.

Here are the three plans in detail:

PLAN "A"

Under this plan, the college would eventually use all of the campus and the high school would be relocated on another campus. College facilities would be gradually expanded and the high school contracted until the time came for the relocation of the high school.

PLAN "B"

The college would purchase a new site and the high school would expand to use the entire present campus. This would make a high school plant larger than present high schools are constructed but this could be offset by the development of the technical and academic high schools on different parts of the campus.

PLAN "C"

Under this plan, the college buildings would be built north of the present campus on the west side of Euclid avenue, the present site of the temporary buildings and the nurses training college. This would involve the purchase of more land for parking and athletic facilities. With the present high school student body and a college student body of 1800 on the Chaffey campus, additional facilities would be needed for athletic facilities.

State Medical Head Will Speak Monday To County Society

Red Hill Country club will be the scene of the monthly meeting of San Bernardino County Medical society Monday evening, at which Dr. John W. Green, president of the California Medical association, will outline CMA activities in the field of medical economics.

Dr. Green, of Vallejo, has a long record of service for the profession. He is probably best known for his work on the national level in urging volunteer donations by physicians to medical schools in order to prevent the threat of political control of medicine through the subvention of tax monies for their support.

Dr. Leonard M. Taylor, San Bernardino, president of the county society, will preside.

Mrs. Eileen Johnson, 9367 East Eighth street, Cucamonga, was admitted to San Antonio hospital Sunday for treatment of injuries suffered in an auto accident in Banning.

Annual Tri-Club Meeting

Forestry, Civil Defense Heads Present Program

Forty-five members of the Cucamonga Service club, Etiwanda Service club and Alta Loma Community club met Monday evening in Cucamonga for the annual Tri-Club meeting hosted by that community's club.

Leslie Foster, president of the host club, presided at the meeting which featured an outsanding array of guests who presented a program of community-wide interest on fire service and Civil defense.

ULREY MAIN SPEAKER

Charles Ulrey, assistant to W. W. Skinner, head of the State Division of Forestry, San Bernardino, was in charge of the program on fire service, emphasizing civil defense and regular community service aspects.

Mr. Ulrey also showed a movie on fire control taken during the London air raids of world war two, and also presented slides showing Civil defense trucks at work on the Fish Creek canyon fire last month.

Several representatives from the county Civil defense office and the State Forestry service were also present. Two special guests on the program were from the state offices of the Forestry service and Civil defense. Chief Harold P. Bouhe was present from the Sacramento Civil defense office and George R. Taylor, director of fire service in the state office at Sacramento, also appeared.

C D TRUCK ON DISPLAY

A Civil defense fire service truck now stationed in region 8 was displayed outside the Cucamonga Service club meeting rooms.

R. E. "Tip" Browne, secretary of the host club, expressed regret that seating capacity did not allow for public invitation to the highly informative Tri-Club dinner meeting.

"Worst Since 1937 Flood"

Foothill Area Flooded Monday

Heavy rains Sunday night and Monday morning flooded Foothill boulevard (Route 66) and Arrow highway at points west of Upland, and necessitated the evacuation of an aged store proprietor from his business and living quarters. Residents of the area said the overflow was the worst since the big blood of 1937.

Claremont Police department reported shortly after midnight Monday morning that Foothill boulevard was flooded in the wash area between Central avenue and Padua road. Also flooded was Arrow highway at Central avenue. Arrow was closed in the Cucamonga district when an area between Baker and Turner avenues was flooded.

MR. LEWIS EVACUATED

John J. Lewis, 82, proprietor of The Country Store, who has been ill and bedfast for some considerable time, was evacuated from the living quarters at the rear of his store when the interior of the structure was filled with six inches of mud and silt while two feet of water swirled about outside.

Mrs. Lewis refused to leave and remained for several hours at the scene to look after the property, according to Deputy Sheriff John Woodside who was in charge of evacuating the aged man.

Little property damage was otherwise reported in Upland, and two lanes of Route 66 were opened before 8 a.m. Arrow highway was also opened during the morning with danger signs posted at flooded areas.

DEBRIS FILLS CONDUIT

The area of Foothill boulevard temporarily closed by the flood waters was the result of debris filling a conduit under the highway and caused the flood waters coming down the wash from San Antonio canyon to spill over the main traffic artery. A highway scraper and a bulldozer were finally necessary in clearing the muck and silt from the highway to permit the passage of traffic.

The torrent of water gouged a canyon several feet deep along the east side of The Country Store, almost undermining the building.

Mr. Lewis was reported improving Tuesday at the home of neighbors, Mr. and Mrs. Frank McMakin, where the elderly couple are staying until they can find new living quarters.

LOOK FOR QUARTERS

Mrs. Lewis said the store will be dissolved and as the living quarters are too badly damaged, she and Mr. Lewis will retire from business and find rental quarters. As their son-in-law and daughter, Mr. and Mrs. James Bessant of Alta Loma must also find new living quarters in the near future, they are hoping to find a rental property with two dwellings thereon so that the younger couple will be nearby to assist the older when necessary.

Assisting Deputy Woodside, Upland Police officers and Barnett's ambulance in evacuating Mr. Lewis were Ed Pullen, Herbert Kuhn and Mr. McMakin, all neighbors of the Lewises on Foothill boulevard.

Presbyterians To Hear Pastor

"Declare Yourself" is the sermon topic announced by the Rev. Trusten A. Hart, pastor, for the 11 o'clock worship service Sunday morning at the First Presbyterian church.

Westminster Fellowship will meet at 7 p.m. and the midweek service will be held Wednesday at 7 p.m. in the Kirk house.

Ontario's Mayor May Be in Race For Assembly

(Continued from Page 1)

the Democratic incumbent, is not a candidate for reelection. The same day Mr. Shaw announced his decision not to run, Mr. Ferguson, a Republican, announced his plans to become a candidate.

Since then, many Republicans have been studying the situation and the possibility of getting another candidate.

While Mr. Ferguson is popular and recognized as a good vote getter, an effort has persisted to get another Republican candidate. The most frequent name mentioned as a likely contender for the assembly post is that of Mr. McQuatters. He indicated decision on the suggestion would be reached within a short time.

NO COMMITTEE ACTION

William Walk, head of the local group on the Republican County Central committee, said a meeting was held in Ontario yesterday but the question of assembly candidates was not discussed.

"If there are two Republicans running for the nomination, it is the policy for the committee not to make a recommendation," he said.

Mr. Fuerguson is a member of the Republican committee. The early announcement of his candidacy came as a surprise to most Republican leaders in the district.

KEEPING UP

(Continued from Page 1)

fey district bonds will be sold soon. It will take more than a million for the job, but proceeds from this bond sale will be used to get the project started and to help finish the Fontana high school.

While these two major projects are going on, the Ramona freeway through here will become a reality. With the "bridges" under or over local avenues the next phase of the freeway work will be in the actual placing of concrete walls and paving.

And as these major community improvements are being realized, there will be several hundred more new residences and several new business buildings erected.

Upland, once a conservative community, is expanding and changing rapidly along with all of the southland.

Mr. and Mrs. H. B. Keller and daughter, Brenda, 715 Eighth avenue, are back after being in Kansas for two weeks. They were called there by the serious illness of his father, D. B. Keller of Enterprise, Kan. His condition is reported improved.

Stop! Look! and lessen accidents.

Laundry Buildings For Sale

Final Clearance Due At Parkside

Clearance of the site of the Parkside housing development on Campus avenue south of Foothill boulevard will be accomplished in the near future, it is anticipated following the announcement today that the four portable laundry buildings remaining on the site will be sold and moved.

Information regarding the buildings may be obtained from the office of the Housing Authority of the City of Upland, 1200 North Campus avenue.

Parkside community building has been purchased by the city and will be moved soon to the city park, east of the housing site.

MOVED TO ARIZONA

Parkside was built in 1945, when 200 portable pre-fabricated dwellings were erected to house Kaiser Shell workers. After the termination of World War II, dwellings were rented to veterans and their families.

Last February the last dwelling was vacated and the houses have since been moved to Arizona for reuse near ordnance bases. The project was operated by the local housing authority under lease agreement with the Federal government. It was built on leased land.

Property owned by the local housing authority, directly west of Parkside, is being sold to St. Joseph's Catholic church. This site, a five-acre parcel, adjacent to the existing Catholic church, was purchased by the local authority in 1941. Since then, 40 substandard dwellings on the site have been demolished.

100 DWELLING PROJECT

Originally the plan was for erection of 50 dwellings on the five acres, and another 50 dwellings on a vacant 12-acre site north of Foothill boulevard and east of Campus avenue. Because of wartime housing restrictions, all of the 100 dwellings were erected on the vacant site.

Completed in 1943, the Los Olivas project was first occupied by war workers, and then converted to occupancy for families of low income. Veteran families have been given preference.

Canyon Access Route Detour

(Continued from Page 1)

let as the result of this bid call will result eventually in the completion of the huge project across the canyon. A "continuing" contract will be awarded, the contractor being privileged to proceed in the construction in accordance with the availability of federal funds.

Much of the preliminary work has been completed on the dam project. While it may be several more months before actual work is under way on the dam, other preliminaries must be completed and it is imperative Mountain avenue be closed soon, acording to officials.

Pastor is Speaking At Brethren Church

For the 10:45 o'clock worship service Sunday morning at the Upland Brethren in Christ church, the pastor, the Rev. Alvin C. Burkholder, will preach on the subject, "Needed — A Victorious Church."

In the evening at 7:30 o'clock he will bring an evangelistic message entitled "Are We Ready For Revival?" There will be special music for both services.

Christian Science Lecture Tonight

First Church of Christ, Scientist, of Pomona is inviting the public to a lecture to be held this evening at 8 o'clock in the church auditorium, 599 North Main street, Pomona.

The speaker, Arch Bailey of Sacramento, is a member of the board of lecturship and he is currently on a nationwide lecture tour. His subject will be "Christian Science: the Joyous Way of Life."

Admission is free and there is no collection.

Christian Science Sunday Sermon On Love of God

The lesson-sermon to be heard at the 11 o'clock service Sunday morning at the Ontario Christian Science church is entitled "Love". It emphasizes the loveliness and healing, protecting care of the Father.

The Psalmist declares in the golden text: "The Lord is gracious, and full of compassion . . . The Lord is good to all; and his tender mercies are over all His works."

Mennonite Services Are Announced

Sermon topic for the 10:30 o'clock worship service Sunday morning at the First Mennonite church will be "Prophet Without Honor", according to the pastor, the Rev. Paul Goering.

He will speak again at the evening serveee at 7:30 o'clock. The young people and adult groups will meet at 7:45 o'clock.

Sunday Services At St. Mark's Church

Holy Communion at 8 a.m. will be the first of the Sunday services at St. Mark's Episcopal church.

At 9:30 o'clock there will be family morning prayer, and at 11 o'clock Choral Eucharist will be celebrated, with the sermon by the rector, the Rev. Joseph A. Erickson, Jr.

Mrs. Leroy W. Lutz, 367 South Euclid avenue, was admitted to San Antonio hospital Sunday for major surgery.

Richardson, Sellers Rugby Stars For American Team On Tour of France

Gay Paree and all of France paid homage to two of Upland's premost athletes recently as they thrilled the French rugby fans playing with the American All-Stars on a tour of France. Bill Richardson and Leon Sellars came home blanketed with honors in rugby, the sport which they described as much like football only a "rougher game". And hard on the legs", Richardson adds.

MOST VALUABLE PLAYERS

The game hasn't proved too rough for the Upland athletes, however, for they were voted the most valuable players" on the American All-Stars team by their French opponents. Richardson was offered a contract while in France to remain there and become a professional Rugby player, but he declined in favor of returning to College of the Pacific at Stockton where he is a senior, for "exam week".

A football standout at Chaffey High school, then Chaffey college and now COP, Richardson was hailed by Coach Mike Dimitro of the rugby All-Stars as the best player on the American team. Robert Strand in the Paris edition of the New York Herald Tribune of Jan. 8 quoted Coach Dimitro as saying, "My best player is redhaired Bill Richardson of Upland, a hooker whose hard tackling and tricky ball-handling quickly won the appreciation of French spectators." The story continued, Other outstanding American players are Leon Sellers of Upland, center, noted for his hard running, and Bob Lampshire, fullback, the team's best kicker."

ON INTERNATIONAL TEAM

While in Paris these three American stars were chosen by the coaches and French sportswriters to play on the International team which met the French National team.

In their four games in France, the All-Stars won only their game against the National team. Their losses in the first three encounters were the results of having officials who spoke only French. The U. S. team couldn't understand any of the signals of the officials, but in Paris were lucky to have officials who spoke both French and English.

Richardson was soon the hero of both fans and press, with his red hair winning the admiration of the French even before he stole the sports headlines with his expert play.

QUALIFY FOR TEAM

Last November the two Uplanders qualified for the All-Stars team by playing in Los Angeles. They were among the team of 13 selected from over 30 collegians and former athletic greats trying out for the team. They left by airliner for France before Christmas and returned to California on Jan. 11.

Richardson had previously played rugby for a year at COP, while Sellers played a little at SC where as a senior he recently ended his career as a noted fullback. The athletes flew home for final semester examinations at their respective schools, foregoing a five-day tour of the country of their choice in Europe or Great Britain.

LAVISH RECEPTION

Both the Upland stars of football and rugby returned home full of stories about the elaborate receptions tendered them in every French town and city where they played or visited, and of the tours of points of interest on which they were taken. Close friends since junior high school days, they have maintained this strong tie despite attending different colleges and becoming gridiron greats at the institutions of their choice.

In addion to their disappointment at having to come home before visiting England, and going to Scotland to see the native country and relatives of Bill's parents, the boys regretted not having seen the brother of Max Vaucher French instructor at Chaffey High school, at Marseille. They made a special trip there in order to visit the brother of their former teacher, but he was out of town at the time.

COMMUNIST TRIBUTE

An interesting result of the tour by the All-Stars was provided when the top Communist paper in France for the first time found an excuse to compliment a group of Americans. According to AP dispatches here, the paper reported the All-Stars had done more good for the United States with their fellowship and sportsmanship than all the Armies and emmissaries ever sent to France.

Parents of the good-will ambassadors are Mr. and Mrs. William R. Richardson, 619 Vernon drive, and Mr. and Mrs. Leon G. Sellers, 455 South Campus avenue.

Against a backdrop of Paris, as seen from the third floor of the Eiffel Tower, Upland's two top-ranking athletes, Bill Richardson and Leon Sellers, taks time out from their recent rugby tour in France for a "tourist's portrait." The wind was too strong for tourists to be allowed to go very high in the famous Paris tower of steel, so the Upland rugby stars settled for the backdrop picture at the base of the tower. They returned to the west coast and their university studies January 11.

City Buys Power Unit For Use In Emergencies

To be beter prepared in case of emergencies, the city is purchasing through the cooperation of the federal civil defense organization, a portable auxiliary power unit.

The equipment will be available to produce power, lights and to maintain radio communication, according to the report of Acting City Manager Elwin Alder at the city council meeting Thursday night. Cost of the equipment will be $524, half of which will be paid by the federal government.

During the recent wind storm when power was shut off, the city hall and police headquarters were without lights and radio communication for nearly an hour, it was explained. The fire department has an auxiliary unit for use at the scene of fires.

The city's sewer lines will be extended west on Eleventh street to the site of the new Old Baldy View school. Bids will be opened at the council meeting Feb. 18 in accordance with a construction schedule adopted at the Thursday night meeting. The new line will be 1,400 feet in length.

Donald Carr, chairman of the street committee, reported on various projects. He said it would be impossible for the city to replace a fence knocked down in the Dec. 27 storm on Mrs. J. D. Cameron's place, Euclid avenue and Eighteenth street. He reported an investigation of the possibility of placing top soil on Keith Koehler's grove to fill the deep gullies cut by the recent storm waters. It was reported top soil is not available.

A site on the city's park will be selected for a tree to be placed in memory of the late Mrs. Everett W. Henry. Mr. Henry had asked permission to set out a tree in her honor and Mr. Carr reported a site would be chosen.

A request for a four-way stop sign at Arrow highway and Second avenue was denied on recommendation of the police committee made by Councilmen E. Tweed Stone and Mr. Carr. Referred to this committee was a request of the Television Engineers for a loading zone in front of their store at 272 East Ninth street.

Western Mouldings & Stampings, Inc., was given a six month extension in its requirement to install sidewalks adjacent to its plant on East Eighth street. The request was made by Howard Burleson, president.

Are your brakes good to the last stop.

Pay Increase For Councilmen Suggested

Increase in pay of Upland city councilmen is scheduled for consideration at the Feb. 4 meeting of the local officials.

Earl E. Hawthorne, a frequent visitor at the city council meetings suggested the councilmen's pay should be increased. This can be done only by vote of the people and it may be placed as a special measure on the city ballot in the bi-annual voting in April. Mr. Hawthorne suggested $50 a month. Mrs. Hazel Cassell city clerk, was asked to obtain from the office of the California League of Municipalities, a report on the salaries paid by cities in the state.

None of the incumbent councilmen showed any special inclination to increase their own pay Vernon V. Paine, whose term is expiring and who will not be a candidate for reelection, offered to take the lead in getting the question on the ballot. Action must be taken soon to get the measure qualified for a place on the ballot.

At present, Upland councilmen are paid $20 a month.

Foresee 750 In Day-College

With registration to continue through today at Chaffey college in the college office, a 15 to 20 per cent increase in day enrollment is forecast by Registrar Leonard Mather.

Registration for second semester has been conducted daily from 8 a.m. to 5 p.m. and 7-9 p.m. and will conclude this evening.

"We anticipate a first-day attendance of nearly 750 in Day college. This does not include a probable 150 who are registering for Extended Day classes," Registrar Mather said.

First day class attendance on February 2, 1953, was 626 as there were no Extended Day classes offered. The present Day college registration is up nearly 20 per cent from that figure.

Registration for those who will be admitted to Monday classes will close tonight. Late registrations will be open at 8 a.m. in the College office on Monday morning but students will not be allowed to attend Monday classes.

Olof Snyder To Speak Sunday on KPMO Civil Defense Program

Olof E. Snyder, chief of training division of the Ontario Civil defense covering the Ontario, Upland and Chino communities, has been invited to speak at the Pomona Valley branch of the American Association of University women over Radio Station KPMO Sunday at 4 p.m.

The program is a Civil Defense interview chairmaned by Mrs. C. F. Casalina, Civil defense chairman of the Pomona Valley branch AAUW.

The director of the Ontario-Upland-Chino area of Region 8 recently held a series of seven Civil defense forums under Chaffey adult education sponsorship which attracted state-wide attention. Mr. Snyder is also in charge of the Civil defense program in the Chaffey schools.

Upland Upholstery Co. Is Successor To "Andy's" Here

Nels Northrup and Floyd Worman have formed a partnership under the name of Upland Upholstery Co. and have succeeded to the upholstery and drapery business formerly conducted by Andy's at 161 North Second avenue. Both men worked for the owners of Andy's and will continue to serve the public now under their own firm name.

Mr. Worman resides at 1569 West Foothill boulevard. Both men are experienced in the business and are acquainted with many local people.

Three Uplanders Attend Red Cross Council Meeting

Three representatives of Upland chapter, American Red Cross, will attend a meeting of the Desert Air council in Ontario today.

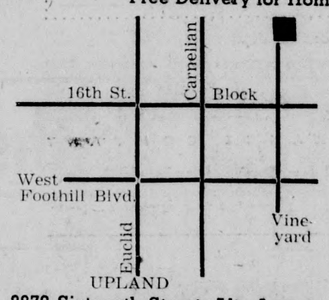

Mrs. Kendle Hill, local service group chairman; Mrs. Thomas Ware, Gray Lady chairman, and Miss Eunice Mitchell, local executive secretary, will represent the Upland Red Cross chapter at the meeting.

Those present will be from the seven Red Cross chapters and military installations within the council area.

"Money Is Available" . . . So Let's Spend It . . . ???

Construction of a new Chaffey administration building on the western part of the campus is planned as a means of providing more classroom and office facilities in the present college building on Euclid avenue and Fifth street.

Members of the advisory board gave approval to this outlay last week and it is likely the Chaffey board of education will officially act in the near future. Apparently everyone close to the situation, concurs the building is needed.

We have no reason to doubt the validity of the project. Our only concern is a statement that is contained in the prepared press announcements from Chaffey and the words used by some officials in referring to the matter.

"The money is available," in general, says the announcement.

For that, all of us are pleased. The fact the "money is available," however, is no reason the building should be erected. Local residents are willing to pay taxes and vote bonds for all essential facilities of education.

For example, if the money were not in an available fund, would the administration building be authorized? Is it needed so desperately that it could be justified in a special bond election?

Efficiency of the board members and school administration is recongized and we have great faith in their decisions. At the same time, we know how easy it is sometimes to spend money "just because it is in the bank."

This May Be The Big Year For March of Dimes

First collection in behalf of the annual March of Dimes for the National Foundation of Infantile Paralysis this year was made by a four year old boy 19,000 feet up in the air. Delbert Dains, this year's March of Dimes poster boy, opened the year's polio fund drive with a collection of $30 on a flight from New Orleans to New York. Passengers on the plane contributed $30 as the kick-off contribution for the campaign.

Of all the fund drives dedicated to the task of reducing human misery and suffering, none has more appeal than the March of Dimes, which is an effort to eradicate a disease which usually attacks children. It is also true that of all the major diseases, progress in checking the ravages of polio seems nearer at hand than with any other killer.

It might well be that 1954 will mark the first year in which a fully effective vaccine is made available to large numbers of children. If this proves to be the case, the March of Dimes fund drive might eventually be curtailed.

An expenditure of $26,500,000 will be made by the National Foundation on the gamma globulin and trial vaccine activities this year. Hope of victory should stir volunteer workers and contributors more than ever.

Therefore, the need is greater than ever before, in a drive which might not be necessary in another five or ten years.

A good start for 1954 would be a contribution to a great cause in behalf of the children of this community and the nation.

More Sound Approach Given To Helping All in Medical Program

President Eisenhower's medical aid program definitely turns away from the kind of regimentation which has been called "socialized medicine." His message to Congress lays down a sound basis:

"Freedom, consent and individual responsibility are fundamental to our system," he said in a message to Congress recently. "In the field of medical care this means that the traditional relationship of the physician and his patient and the right of the individual to elect the manner of his care in illness must be preserved."

Here is a fundamental rule to be applied to every proposal for governmental action in the field of medicine. Here is a reminder that should be pasted in the hats of every eager group of enthusiasts seeking to impose their own theories on fellow citizens.

The President puts the idea of freedom into practice in two ways: by advocating voluntary medical care insurance and by regulating the federal aid to encourage the states to take greater responsibility for medical care programs.

This basic approach and the specific projects recommended are certainly preferable to the complicated and compulsory schemes proposed in Washington previously. Yet, it should be plain that what Mr. Eisenhower is proposing constitutes a continuation and extension of very large federal medical programs.

Despise not any man and do not spurn anything; for there is no man that has not his hour, nor is there anything that has not its place.—Rabbi Ben Azai.

Great minds have great purposes, others have wishes. Little minds are tamed and subdued by misfortune; but great minds rise above them.—Washington Irving.

Shortest Route Ignored? Diagonal Highway Is Answer

The shortest route from the citrus valley to the Cajon pass is through what is known as the "Devore" cut-off—not through the city of San Bernardino.

County highway department engineers, federal engineers and some engineers of the state highway department, and two members of the county board of supervisors, are in favor of further improvement of the Devore route or in building what has more recently been called the proposed "Diagonal" highway.

Funds are available for this construction with state and federal allocations being included. A majority block of the board of county supervisors, however, is not in favor of building the "diagonal" highway.

Very prominent in the highway picture is the proposed construction of a super freeway through the city of San Bernardino. Route of this freeway is eight miles longer to the Cajon pass than is the route of the proposed "diagonal" highway. This not only means eight miles more of very expensive construction but it also means the acquisition of very expensive right-of-way property through the heart of San Bernardino city.

In the face of this extra cost of many, many millions of dollars, the new state freeway is scheduled to be built—and the three supervisors turn a "cold shoulder" at the idea of building the diagonal route.

Relief of local highways is needed immediately. Local "north and south" arteries are being crowded as truck drivers and other motorists incline north to get on to Foothill boulevard, Highland avenue, and on to the Devore cut-off route.

This flow of traffic will apparently increase with the completion of the Ramona freeway and the steady build up of southland traffic. A recent official traffic count showed 3,500 vehicles daily use the Devore route, a big jump over previous counts. The present Devore route is narrow, and has many curves; yet its use steadily increases.

Construction of the diagonal highway is recognized by many highway engineers as very essential in the solution of the truck and traffic problem in the citrus cities.

It's Difficult to Change Federal Spending Habit

At the November, 1952 elections, the voters indicated they wanted a change.

In effect they said they were tired of the Korean stalemate, waste, corruption, inflation, unbalanced budgets.

Twelve months later, the same people voted to strengthen the Democratic majority in the congress. In another 12 months, it is likely Ike will be all but strangled with Democratic majorities in both houses.

Why this marked change?

When a family or business goes into debt too heavily, there is only one recourse: more work, more sacrifice, greater economy.

Yet the members of Uncle Sam's family have no desire to be a part of such a program. As a nation we are not interested in spending less, working harder and making a greater sacrifice for the common cause.

Commenting on this, New Hampshire's Congressman, Norris Cotton, wrote:

"A grange sends me a resolution against the lopping off of money for agriculture. A pulp company executive is concerned over the scaling down of forestry funds. A business association deplores the discontinuance of an industrial census. A nurseryman is worried about control of the Japanese beetle."

An engineering firm, he says, complains about a reduction in Weather Bureau funds: "They forget that this bureau has expanded nearly 280 per cent in the decade and the weather hasn't improved a bit."

Mr. Cotton is a member of the house appropriations committee and he knows a lot about what cuts are being made. He also wonders if, politically speaking, it's all worth while. "An administration which deprives people of enough fancied benefits to put the nation on a pay-as-you-go basis," he told his constituents in a recent letter, "is likely to be a hero in history but a dead pigeon now."

We sympatthize with Cotton and fellow legislators who are trying to carry out campaign promises to reduce costs, but habits are hard to break, even for individuals, and more so for a people collectively. And we have been spending like mad for 20 years, and much of that which we have spent has been borrowed money.

It's Time To Register

Being a good citizen is the aim of every local resident and every American. That being the case EVERY local resident will then be registered to vote during 1954. Then every local resident will VOTE at every election during the year.

In fact, no person ever has any legitimate reason for not voting. An excuse may be developed but never a reason.

The first thing, be sure the registration is in order. Feb. 18 is the deadline for registering for the city election.

Whenever you get into a tight place and everything goes against you, till it seems as though you could not hold on a minute longer, never give up then, for that is just the place and time that the tide will turn.—Harriet Beecher Stowe.

You can not force the growth of human life and civilization, any more than you can force these slow-growing trees. This is the economy of Almighty God, that all good growth is slow growth.—Gaynor.

There is a chord in every heart that has a sigh on it if touched aright.—Ouida.

Time Passes

25 Years Ago

The Upland News published a souvenir edition to note the dedication of the Madonna of the Trail. A throng of visitors attended the event, and San Antonio Chapter, Daughters of the American Revolution, entertained 150 guests, including many notables at a luncheon in the Upland Woman's club house. Mrs. R. Frank Lemon, regent, presided. Mrs. Caroline Emily Cook, 81, unveiled the monument. She was three years of age when the trip was made by covered wagon and ox team from Brighton, Iowa.

When it was announced that Upland had been selected as the site for the monument, the two local D. A. R. chapters, San Antonio and Los Serranos, united in working out a program for the dedication and unveiling. Much of the money necessary to get the monument here was raised through the efforts of San Antonio chapter.

Cub Scouts In Talent Show

Amateur talent night will be observed Friday evening by Cub Scouts of Pack 1 when "Cub Scout Showmen" will theme a program at 7:30 o'clock in Upland elementary school auditorium.

Open to the public without charge, the program will consist of entertainment by each of the nine dens of Pack one, Cub Scouts of Upland. A skit by each den plus songs, dances, puppets, take-offs on popular radio and television shows and other amateur talent will be included.

The program will serve as the regular January meeting of the pack, and families and friends of the Cub Scouts are expected to attend and join in the fun.

French Film Shown Here

An enthusiastic audience Tuesday night viewed "Passion for Life," the original French film which brought international awards to the author-director and the leading actor, as a part of the Family Relations forum series arranged by the Ontario council of the Parent-Teacher association in cooperation with Chaffey adult education.

Shown to the local public in Hill auditorium, the film was made in the village of Salezes in France with the well-known professional actor, Bernard Blier, assisted by 25 school children, adults and a few professionals. The film is in French with English dialogue superimposed on the screen. Its writer-director was Jean-Paul Le Chaonis.

The film is a story of faith in humanity. It shows how an inspired teacher, dedicated to the responsibility of educating young people for citizenship, can improve the life of an entire community. The screen play is based on the true story which happened in Provence after the first world war.

Alcohol, Narcotics Effects Emphasized At Junior High

Culminating a week in which the effects of alcohol and narcotics have been stressed in the classes at Upland Junior High school, a student assembly at the school Friday will feature Stan Hill, wheel chair evangelist and former convict.

Students at Upland Junior High school have this week listened to lectures by their instructors on the effects of alcohol and narcotics, and bulletin board displays of newspaper clippings and other material have illustrated the talks.

In preparation for the week of emphasis on the two subpects, a representative of Alcoholics Anonymous addressed faculty members of the school in a special meeting on Wednasday of last week, according to Principal Edwin P. Dean.

Adult Education Classes Start

Adult education classes in the Chaffey district will begin Monday, acocrding to Olof E. Snyder, director of Chaffey college adult education. This program will offer classes in arts and crafts, home economics, vocational and technical subjects. Registration fee is one dollar and fifty cents per student.

Registration will take place in the classes at their first meeting. Additional information about the schedule may be obtained by calling the adult education office at YUkon 627-11 for the folder which will be mailed on request.

Extended day college classes begin on February 1 with a program of an increasing number of refresher courses for men and women in industry. These include, chiefly, business, mathematics, electronics and aeronautics. Registration for extended day college classes should be finished by January 28. Counselors will be at Chaffey college from 7-9 p.m. daily through January 28.

Basic Courses In Engineering Continued

Continuation of a program of engineering courses given by University of California extension at Chaffey college has been announced, with the spring semester starting during the week of February 8.

In this program designed to serve the Orange Belt area and inaugurated last fall, the University plans to provide basic courses in engineering and mathematics leading toward the Master of Science degree in engineering.

The 7 p.m. classes scheduled at Chaffey are "Analysis of Servomechanisms", starting on Feb. 8 with Richard B. Hurley as instructor; "Analytical Methods of Engineering, February 9, with Rcbert E. Roberson and "Advanced Calculus" on February 10, with Harry Lass instructing.

On February 4, registration and advising will be available from 9:30 a.m. to 11 a.m. at the Naval Ordnance laboratory, Corona, from T. A. Mayeda; from 1:30 to 3 p.m. at Consolidated Vultee Aircraft corporation, Pomona, through Mr. Hurley, and from 3:30 to 5 p.m. at Aeropet Engineering corporation in Azusa from H. E. Compert.

Requests for printed information on the project may be addressed to University of California extension engineering, Los Angeles 24.

peck Finds A New Home

anadian Family Adopts Humane Society Mascot

By Joel R. Baugh

Today Speck has a new home d is the center of attention for loting family.

"Speck" is a dog. She is no ngrel, either, for it is evident t her forebearers have been blue blood of dogdom, and re specifically of the Dalmatian n.

The present predicament in ich Speck gleefully finds herf is the happy ending to a real rstery story. We know that eck previously has been terly mistreated, and we know t prior to that she had another nily who trained her and cared her lovingly.

EARLY LIFE MYSTERY

But the details of this early me and the apparent mistreatnt that followed is the mystery. rhaps Speck was stolen from r original owner and when she not respond to her illegal sters, was mistreated. This, wever, is only a guess at her st. Speck is still a young dog. Our story of facts begins early December when this handsome almation, a beautiful white ach dog with black spots, first peared in Claremont as a stray ffering from recently inflicted uries. Her carriage belied her eeding and training, but her ersion to making friends with y human indicated she had been streated by some cruel person.

SPECK FINDS A FRIEND

After observing the dog about e town over a period of several ys, Miss Lavina Larson, assote editor of the Claremont Courr began making overtures toard her and became the first rson to make friends with the g. Speck's response to Miss rson's friendship put forth the rmise that she was trained by woman.

Having successfully befriended e stray which had created conderable local interest, Miss Lar n took "Speck" to the Humane ciety kennel at Pomona. Here e manager and the dog became fast friends and she was allowed the freedom of the kennel grounds following her new master about until he adopted her as his official mascot.

THE CAMPBELLS ARRIVE

Then the Campbell family of Upland came seeking a pet. One look at "Speck" and Arnold K. Campbell had found the dog he wanted. His wife, Dorothy, readily agreed and their four children lost no time in chorusing their desire for Speck. And strangely enough, after being rather aloof to most visitors, Speck took to the Campbells like it was old home week.

But the Humane Society kennel manager said no, he wouldn't part with his mascot. But after repeating his negative reply three times, he finally weakened as he noted how well Speck took to this happy family. The fourth time Mr. Campbell asked for Speck, he received an affirmative reply. So with no hesitation, Speck climbed into the auto with his new family and returned with them to their home at 583 Tulare way.

SPECK FINDS A HOME

On his arrival there, however, he was reluctant to enter the house with his new master and the four children, but as soon as Mrs. Campbell entered the living room he bounded through the door and excitedly announced himself "at home".

His newfound playmates are four healthy, handsome and happy children; Gary, 13, Brian, 7; Joanne, 6, and David, 3. His new master is employed as a timekeeper at Stone and Webster Engineering corporation. Redondo Beach, and is away from home during the week. That first Monday when Mr. Campbell was away at work, Speck really looked sick but he soon rallied under the companionship of Mrs. Campbell and has seldom left her heels since.

NEW HOME COMPLETE

"It's all I can do to dress David in the mornings now, Speck is so jealous," this vivacious mother reports. And the entire family joins in making Speck really feel at home.

Serving as pet and watchdog for this new family, Speck has a new life for herself—whatever may have been her past. The Campbells are all native Canadians who moved to Ontario from Hamilton, Ontario, Canada, in October, 1952, and only three months ago chose Upland for their home. They love it here, and a dog really completes their home.

Speck Finds Home With Campbell Clan

Surrounded by his new family, "Speck" is in reality much happier than his soulful countenance implies. It was the camera he didn't care for. The Dalmatian, the subject of an accompanying feature story, is now the pride and joy of the four children of the Arnold K. Campbells, 583 Tulare way. From left to right, the young Campbells are Brian, 7; David, 3; Gary, 13; and Joanne, 6. When this picture was taken, the photographer achieved one dubious distinction—he caught the Campbells without their typical beaming smiles.

Old Baldy Shriners Install 1954 Officers At Chino Dinner

Officers and directorys of the Old Baldy Shrine Club for 1954 were installed in ceremonies at a dinner in the Centro-Basco hotel, Chino, last evening, with Tom L. James of Chino and Henry H. Carrithers of Ontario assuming office as president and secretary-treasurer, respectively.

Joseph W. Brigance, Shrine clubs director from Al Malaikah Temple, Los Angeles, installed the new officers in colorful ceremonies, which were attended by Shriners and their ladies from Pomona, Chino, Upland, Ontario and other cities in this area.

Impacts Damge Four Autos

Two non-injury accidents in Upland did considerable damage to four autos Sunday, according to reports at Upland Police station. All four autos were removed to garages for extensive repairs.

Officers Richard Carr and William Smith investigated the collision at Ninth street and Campus avenue Sunday night. An auto driven by Angel G. Sanchez, 55 Humbolt street, Cucamonga, was proceeding east on Ninth street in heavy rain when it struck the westbound auto driven by Mary Jane Young, Ontario. The latter was making a left turn onto Campus avenue.

Sixteenth street and Mountain avenue intersection was the scene of a collision where one driver reported he did not see the stop sign and failed to stop for Mountain avenue traffic.

Edward J. Cowling of Juneau, Alaska, was cited for failure to stop at the stop sign as he proceeded east on Sixteenth street. Milton Lynn Machamer of Whittier was driving on Mountain avenue at the time of the impact.

Approve Chaffey Administration Building

Construction of a "Central Administration" building at a cost of $68,000 has been endorsed by members of the Chaffey district finance advisory committee.

In a meeting last week, members of the committee voted to recommend adding 1500 square feet to the previously approved building plans so the lithography department could be placed near the administrative offices. Previously, an investment of $50,000 in the building had been recommended.

Site of the new administrative unit is on the western part of the campus at Fifth street. The present office space in the college buildings will be used for offices and classroom facilities

Jaycees Meet Tonight At Richard's Best Barbecue Restaurant

Upland-Ontario Jaycees meet tonight for the first time at Richard's Best Barbecue, Foothill boulevard west of Central avenue, at 7 p.m., according to Robert Jones, secretary.

A discussion of the enlarged plans for selecting an Orange queen for Ontario will be featured during the business session following the dinner.

President Herman Rempel will preside at the meeting of the new Junior Chamber.

An open road doesn't mean open up.

Donald Patterson Retained on Chaffey Press Staff

With the reorganization of the Chaffey Collegiate Press staff for the spring semester of the 1953-54 school year came the announcement that Donald M. Patterson, 1844 West Arrow highway, Upland, will continue as circulation editor.

Patterson is a sophomore veteran and was the only staff member to continue in his post for the second semester.

James E. McLemore, Jr., succeeds Mary Lou Porvaznik as editor-in-chief, with Miss Porvaznik becoming feature editor.

Small Lots Can Be Improved

Owners of undeveloped residential lots within the central part of Upland who want to improve their property but find the city's new zoning ordinance too restrictive may get relief by applying for a zone variance.

Some of the lots in the "downtown" area are too small to allow for development in exact accordance with the recently adopted ordinance and this feature has caused concern among some of the property owners.

A public hearing before the city planning commission is provided in the ordinance and this procedure may be used by property owners in asking for special consideration. Richard Derby, building inspector, and other persons in the city hall are familiar with the procedure and will advise all interested persons.

List Qualified Registrars

Registration Of Voters Urged

Non-registered voters of Upland area are urged to register immediately in order to be qualified electors in the coming elections of 1954—a big election year in California.

To be qualified to vote in any election in California, a resident must have been registered by a qualified registrar 54 days prior to the election, according to the office of County Registrar Harry L. Allison.

STATE DEADLINE APRIL 15

Registration must be made by February 18 by Uplanders not now registered but who desire to register in order to be eligible to vote in the Upland municipal election this spring.

The deadline for registrations to qualify as an elector for the state primaries this summer is April 15.

Residents of the Mid-Valley area not already registered prior to last Dec. 17, 1953, will not be eligible to vote in the election to decide whether the Mid-Valley area will be annexed by Chino Basin Municipal Water district. Persons registering after the Dec. 17 deadline will not be eligible to vote.

QUALIFIED REGISTRARS

Registrar Allison's office also provided the following list of qualified registrars in the Upland area: Upland, Mrs. Lillian Hilde, Chamber of Commerce office, 130 East Ninth street; Judge Fred H. Jacobs, Upland Justice court, 130 East Ninth street, and Helen E. Jones, 333 West Seventh street.

Alta Loma, Herbert C. Hall, 238 Lomita drive or Pacific Electric depot; Cucamonga, Mrs. Glen Clark, 8014 Archibald avenue or Cucamonga Public library, and Mrs. Pauline Bonillas, 9722 Main street, and Etiwanda, John Frost.

Equip your new car with caution and care.

$17 Petty Theft Reported Thursday By Fontana Woman

Theft of $17 from a purse left in a ladies' rest room over the noon hour was investigated Thursday evening by Officer Cecil O. Derr of Upland police department.

Mrs. Dorothy Bishop of Fontana reported to Officer Derr the petty theft which occurred Thursday noon. An employee of Scheu Manufacturing company, Mrs. Bishop reported the money intact when she removed lunch money from her purse at 12 noon.

She left the purse with other personal items in the ladies restroom and went to lunch with the three women employees with whom she works. She did not check her purse until arriving home in late afternoon, when she discovered the money missing.

Nicholson Trial Re-Scheduled For February 11th

Originally scheduled for January 21, the trial of Robert Earl Nicholson, San Bernardino, has been postponed by Judge Fred H. Jacobs to February 11.

The postponement was granted at the motion of the defendant, who is charged with "driving while under the influence of intoxicating liquor." Mr. Nicholson was involved in an auto collision Dec. 18 with an auto driven by Harry M. Wright, 635 East Arrow highway.

Class In Radar Fundamentals New At Chaffey

Announced for second semester Extended-Day classes at Chaffey college, beginning February 1, is "Radar Fundamentals", Eletcronics 77a.

The new course will be offered Tuesday and Thursday evenings, 7-9 p.m. in the Advanced Electronics laboratory.

"Radar Fundamentals" completes the Extended Day program for Elecronics which has included three previous courses. Electronics 77a, 77b offers six college units. Robert A. Lawrence of Gilfillan Brothers, Fontana division, will teach the course.

The new class is designed to provide prospective radar mechanics and technicians with a working knowledge of basic radar theory and practice and a basic microwave measurement technique. The course is also planned to enable the student to qualify for the microwave and radar sections of the Federal Communications commissions examination.

Radio Occupies Driver In Collision

One passenger was hospitalized following a two-car accident at Campus avenue and Foothill boulevard Friday evening, according to Officers Richard Carr and Joseph Blouin, who investigated.

Mrs. Charles R. Beckley of Burbank was admitted to San Antonio Community hospital for treatment of back injuries suffered when the westbound auto driven by her husband on Foothill boulevard coollided with an eastbound auto driven by Arthur M. Cobb, 827 West Vista, Ontario.

The latter was cited for failure to yield right of way to oncoming traffic before turning. According to the investigating officers, Mr. Cobb stated he was talking on a radio installed in his car while at the same time attempting to make a left turn off Foothill boulevard onto Campus avenue. He stated he didn't see the oncoming car.

Weaver Shows Travel Shots

Some of the 1,000 colored pictures Dr. and Mrs. Murray D. Weaver took on last summer's trip to Europe thrilled members of the Upland Lions club meeting in the Upland Woman's clubhouse at noon Thursday.

In Austria for special study on surgery, Dr. Weaver also toured into the rural areas for glimpses of life and conditions and his outstanding photography depicted many colorful mountain and farm scenes.

By mistake, the local couple got into the Red zone of Austria and hurried back into the American zone without detection, he related. Some of his pictures, taken with a tele-foto lens showed Red soldiers guarding gates into the Red zone.

Dr. Weaver was interested in the socialized medicine policy in effect in Austria. Patients were entirely subject to the whims of the doctors and all the public service is on a mass basis, he said.

Harold Musser served as program chairman with President Joe Seitz in charge of the meeting.

Judge Fred H. Jacobs was commended for his interest in helping to rehabilitate alcoholics thru cooperation with Alcoholics Anonymous.

Elwin Alder, a new member gave a "birthday" talk.

Management Club To Elect Here

Sycamore Inn will be the scene of the annual election of officers to head the management club of Northrop Aircraft's Ontario International airport facility for 1954 Friday night.

Guest speaker for the dinner meeting will be Gilbert B. Stuckey of the Federal Bureau of Investigation, according to Robert V. Snider, Management club vice president.

Mrs. Frances Wilding, Long-time Resident, Taken By Death

Last rites were held Monday afternoon at the Stone Funeral home for Mrs. Frances Lillian Wilding, 169 Twelfth avenue, widow of Fred W. Wilding, and a pioneer resident of this community, who died last Thursday afternoon at San Antonio Community hospital. She had undergone surgery about two weeks before, and a week later suffered a heart attack. She was 75 years of age.

A native of Kansas, she came to California 60 years ago, and had lived in Ontario and Upland since that time. Her husband died in 1934.

Surviving Mrs. Wilding are a son, William L. Wilding of Alta Loma; two grandsons, Fredrick and Byron Wilding; one sister, Mrs. Helen Tracy, who lived with Mrs. Wilding; and two brothers, Wayne and Ray Nveenhisen, both of Los Angeles.

Dr. Ralph W. Lee, pastor of the Upland Methodist church, conducted the service, which was followed by interment in Bellevue cemetery.

Mr. and Mrs. B. E. Wells, 411 East Foothill boulveard, are moving to Pomona, where Mr. Wells will be connected with the H. W. Loud Machine works.

Watch Missing From College Dormitory

Duane Heisie, student at Upland college, reported to Upland Police department Saturday that his wristwatch has been missing from his men's dormitory room at the college since December 29.

The student told Sgt. O. W. Owens and Officer Cecil O. Derr the watch was apparently taken from the dresser in his room on that date. Valued at $45, the watch is in a round silver case with the owner's name engraved on the back.

Raley, Arant In UC Concert Tonight

BARITONE VERE RALEY

Vere Raley, baritone, and Burton Arant, pianist-composer, will appear in a recital in Upland college chapel, 792 West Arrow highway, this evening at 8 o'clock. Admission is free but an offering wil be taken for the benefit of the piano fund.

Raley's numbers are as follows: "Ombra mai fu" from opera Xerxes (Handel), an die Leier (To the Lyre) by Schubert, Mattinata (Morn) by Tosti. There is a Ladye by Bury; Fulfillment, by Russell; Nocturne, by Curran, The Lord's Prayer, Malotte; The Unveiled Christ, Herrel-Arant; Sweet Little Jesus Boy, MacGimsey; My Love is the Sea, Arant; Nursery Rhymes, Pursell-Arant; Jonah and the Whale, MacGimsey.

Besides playing accompaniments, Arant will interpret Chopin's Prelude in D flat, Waltz in A flat, Debussy's Clair de Lune, and the Sixth Hungarian Rhapsody by Liszt.

Ardis Grays Buy Home on Red Hill

Mr. and Mrs. Ardis C. Gray are now nicely settled in their new home at 7680 Alta Cuesta drive, Red Hill, which they purchased from R. C. MacDonald. They plan to build an addition before long.

The Grays formerly lived at 781 West Ninth street, and now have that property for sale.

Mason On '49er Advisory Group

Supervisor Will R. Mason, 1302 North Euclid avenue, today is a member of the advisory committee of Death Valley '49ers, Inc. Mr. Mason was elected recently at a meeting held at 29 Palms.

The organization annually sponsors an encampment in Death Valley for the purpose of preserving the flora and fauna of the desert region and to commemorate the pioneers who made their precarious way across California's wasetelands to find a new home for their families.

Mr. Mason announced that the 1954 encampment will be held in Death Valley on November 11, 12, 13 and 14.

He said that a plaque will be placed at the grave of Death Valley Scotty on the hilltop above his fabulous castle as an added feature of the encampment activities.

The San Bernardino county supervisor revealed plans are being headied by the '49er directors to secure funds for the purpose of building a public museum in Death Valley to house desert gems, archives and artifacts.

City Water Sales $95,535 During Six Months; Up $13,000

Reports on the first six months of the city's fiscal year indicate continued increase in activities and receipts.

Income to the city water department from July 1 totals $95,535 as compared with $82,821 for the same period in 1952, according to a summary submitted to the Upland city council.

Business license collections total $13,594.23 as compared with $11,381.45, according to figures from the office of Mildred Puckett, city license collector. Dog license income was $1,929 as compared with $1,856.

Two Conference Tilts For Panthers After Lay-Off

Two Eastern conference basketball tilts are in store for the Chaffey college cagers in the next week of competition.

No game is scheduled for this week end, with the Panthers taking advantage of a week's layoff to concentrate on weaknesses and minor injuries.

Tuesday, Feb. 2, they travel to Fullerton for a conference game with that junior college quint. The following Friday, Feb. 5, will see them invading the Riverside hardwood.

Bridge, Water Run-Off Topics For Taxpayers

The narrow bridge at the freeway over Euclid avenue and the amount of water run off in the two local canyons following the heavy rains are two problems that will be discussed at the meeting of the Upland Taxpayers association in the city hall next Monday.

These matters were placed on the agenda at the meeting this week of the association's board of directors. Other questions may also be discussed. The general public is invited to the meeting at 7:30 p.m. on Monday.

The association is also on record against participation in the 1954 city election campaign. The directors decided on a policy of absolute neutrality.

John Nicholson, president, was in charge of the directors meeting. Others in attendance were Mrs. Earl Riggs, Mrs. Paul Stiker, Ralph Colonna, Philip Holden, Arnold Christian, Howard Brewster and Earl E. Hawthorne.

San Berdoo In Clean Sweep Over Chaffey

San Bernardino swept both basketball games with the Chaffey quints from Upland-Ontario to boost their teams higher on the prep and collegiate conference ladders last week.

A 70-50 win over the Panthers was posted by the Indians of San Bernardino Valley college Tuesday night to remain in top contention for the Eastern conference championship.

The Cardinals of San Berdoo High school broke a seven game losing streak with Chaffey high and claimed their third straight Citrus Belt league win as they overpowered the Tigers, 53-43, in the Chaffey gymnasium Tuesday afternoon.

Coach Harvey Shirk's college five gave the Indians a real fight until past intermission, when the winners began sinking points from way out.

After grabbing a 15-11 first quarter lead, the Chaffey Tigers saw the Cardinals stage terrific rallies in the second and third periods to claim their first victory over Chaffey since early 1951. The Cards led 40-27 at the end of the third period, and in a final desperate rally the Tigers narrowed the gap to six points, 44-38. Before the whistle the winners had widened the margin to 10 points.

Eblen Takes Scoring Lead From Wiesen As Panthers Lose

Another loss was suffered by the Panthers of Chaffey college Friday night, when Orange Coast came from behind to claim a 70-63 win for a third-place tie in Eastern conference standings.

Tied with Mt. San Antonio for third conference birth after the victory, Orange Coast looked back on a nip and tuck battle which was finally split wide open by a deluge of scoring by the winners in the third period.

John Steinborn, an honorable mention All-American junior college football star, bagged 17 points for Orange Coast in his best cage game to date. Steinborn also held Jim Wiesan to 15 points, his low for the season.

Center Bill Eblen again led the Panthers, netting 34 points to take over the number one score spot of the Eastern conference from his teammate, Wiesan.

Spartans Take Big Step Forward After Trautwein Slump

A ten-point loss was taken on the Chapman college floor in Los Angeles by the Spartans of Upland college Friday night, in a fast and furious fight which saw the local five take a big step forward after their slump following the loss of Paul Trautwein, star forward.

The host quint claimed the 83 to 73 win with a terrific hot streak in the first half which gave them a 45-25 lead margin at the intermission.

Davis led the Chapman five to victory as he dunked 29 points.

Tallying their highest score of the season, the Spartans came back in the second half sporting a fired-up determination which sent them on a scoring spree to outscore the winners, 43-38, but failed to overcome the original lead margin.

Beware! Don't let your sweetie turn your head.

Four Games For Jayhi Jayvees

Four games were slated this week for the A and B junior varsity teams of Upland Junior High school, with the San Dimas Lightweights playing here this afternoon.

Yesterday the Upland heavyweights journeyed to San Dimas for a game. Friday both Upland teams will play at Claremont.

Colton Claims 47-45 Decision

Sharing the cellar of the Citrus Belt league with Riverside after losing out in a furious final two minutes of play Friday afternoon as Colton won, 47-45, the Chaffey High school Tigers take on their cellar mates as they invade the Riverside floor Friday afternoon.

Tuesday the Tigers will go to Pomona to meet the prep cagers of that city.

With two minutes to go in the Colton-Chaffey melee, Colton broke a 43-43 deadlock by sinking three charities. Guard Bob Craft retaliated with a driving lay-up. A pile-up under the hoop with only 20 seconds remaining resulted in flaring tempers and flying fists between members of the rival teams.

Both teams saw a cager sidelined and a jump ball was called at the Colton goal. Taking posession, Colton took the game as Jerry Quinn was fouled and sank a charity to ice the game.

Top Chaffey scorers with 10 each were John Erickson, Bob Johnson and Craft.

Junior Varsity Fives Split Game With Covina Jayvees

Junior varsity basketball teams at Upland Junior High school split their games with Covina on Thursday, the heavyweights claiming a 40-28 win and the lightweights going down to a 24-14 count.

Coach Jim Blake's A team led all the way in their home game, with Lloyd Hunter leading the scoring with 17. Dolino Caldera bagged 10 points and Ray Melendriz sunk 8. Other scorers were Tom Boswell, 4, and Skip Wulf, 1.

Coach Harley Lovitt's B quint remained cold throughout the tilt at Covina, with Center Don Donahue tallying 8 of their 14 points. The Covina five took an early lead and was never seriously threatened as they took a 10-point win.

To Select Manager For LL Spring Clinic Park Programming

A manager for the Little league and Pony league spring clinic, who will also be in charge of programming for both Upland parks during the summer baseball play, is to be announced soon by the Little league commission.

When selected the manager will be recommended to the city council for final action, according to Commissioner Francis Wilson.

At the recent meeting of the commissioners, a general discussion of the 1954 budget was held and the plans of managers were told.

Pierre Jalbert Joins Mt. Baldy Skiing Staff

As the first snows fell and Southland skiers rushed to Mt. Baldy Ski lifts, Pierre Jalbert, one of the most colorful skiers ever to strap on the boards, joined the Mt. Baldy staff as chief assistant to the great Emile Allais for this winter season.

Herb Leffler, genial general manager of the now famous spot in Upland's back yard, announced the arrival of Jalbert for the skiing season.

The new instructor's background in skiing started when he joined Fritz Loosli at the Chateau Frontenac in Quebec. From there he went on to win the Canadian Junior championship, and in 1947 the Canadian championships in Slalom and Downhill. He also gained considerable fame as a four way man.

In 1948 he was the big hope on the Canadian Olympic team which was coached by Emile Allais. In these games many considered him the man to beat, but he never made the starting gate because of serious fractures three days prior to the opening races. This was a heart-breaking accident and completely dashed Canada's hopes.

In 1950-51, Jalbert was one of the instructors at Sun Valley. He has taught in the Southland for the past two winters at Snow Valley where he established a great folloing. His style is pure Allais, which makes his appointment at Mt. Baldy particularly satisfactory to the master, Allais.

Car Caravans To Mission

Two "car caravans" from Upland First Methodist church are planned for this week end to the Templeton Christian Mission services in San Bernardino.

Friday evening a Youth caravan will leave the local church at 6:45 p.m. bound for the Youth Night meeting of the Mission at San Bernardino Municipal auditorium.

Sunday duplicate services will be offered by the Mission at 3 and 7:30 p.m. The afternoon service will be moved to Paris Hills bowl, weather permitting, where the seating capacity is 5,000 persons. The evening service will be at the auditorium, as will the 3 p.m. service if it rains.

A car caravan will leave Upland at 2 p.m. Sunday for the afternoon Mission service and all interested persons are invited to join the group from the local Methodist church.

Mrs. Louis J. Millett, 8921 Eighth street, Cucamonga, is home from San Antonio hospital where she received medical care.

Scoreless Third Fatal To Raiders In Fremont Games

A scoreless third quarter drowned the hopes of the Raider quint of Upland Junior High school as it went down to a 38-22 defeat at the hands of Fremont of Pomona on Thursday afternoon.

The game was close until the second half, when the locals failed to score until late in the fourth. Billy Bonillas was also out of the game with illness and Carl Skvarna fouled out late in the fatal third.

Richard Hemsley, top scorer with 12 counters, and Skvarna were the standout Upland players. Starters were Rudy Medel and Jerry Bartlett, forwards; Don Blanton, center; Hemsley and Skvarna, guards.

Reserves Install Wednesday

After serving for eleven years as membership chairman for the Upland Police reserves, Lenard Smith will take over the presidential reins of the organization next week.

At the annual installation meeting Wednesday, 7:30 p.m., in the IOOF hall, Mr. Smith will be installed as president, succeeding Thomas Swetonic.

The president-elect recalls how he was called upon to recruit men in his residential area to serve as an emergency auxiliary the day following Pearl Harbor, Dec. 8, 1941. This emergency group later became the Upland Police Reserves, one of the best reserve forces in the state.

Also to be installed are Lee Bigley, re-elected vice-president; Floyd Johnson, secretary, and Fred Barrett, treasurer.

Mr. Smith's two sons have served in the Police Reserves and later become full-time police officers. Bill Smith is a member of the Upland Police force and his brother, John, first served on the Upland force and is now an officer for the City of Pomona.

Announce Major Scouting Events

Three major Scouting events are currently being planned by Upland-Foothill district of Old Baldy council, Boy Scouts of America, according to Jack Hurt, Scout executive.

Boy Scout week will be observed over the nation Feb. 7-13, and local troops, packs, ships and dens are planning their own observances.

A joint Upland-Foothill and Ontario district Court of Honor is now being planned for March with the local district hosting the event in Upland.

In April an Upland-Foothill district camporee will be a feature event and is tentatively scheduled at Norco, Mr. Hurt states.

WHERE WERE YOU DECEMBER 30, 1942?

IF YOU lived in this community on that date you may remember the opening of the West Coast's first integrated steel plant—Kaiser Steel.

And you may have realized that it was the beginning, too, of a more balanced economy for this community. An already thriving agricultural industry had a strong new partner—basic industry.

During the past eleven years, agricultural production in this area has substantially increased in value, providing work for many thousands of additional people. And the number of Kaiser Steel workers has just about tripled.

Hundreds of new industries also have come to this area, adding their contribution to its wealth and prosperity.

It is a good example of how agriculture and industry, by working together, grow together . . . and help make this a better place to work, to live, to raise families.

Re-Elect 1953 Officers

Property Owners Plan Survey

Re-election of its entire slate of officers and discussion of the lack of city action on its past recommendations occupied members of the Associated Property Owners, of Upland Inc., in the annual meeting held recently.

Verl C. Haynes was re-elected president, along with the following slate of officers: Paul G. Hottel, vice-president; T. Victor McRill, secretary; Oren Decker, treasurer and A. T. Shukas, Roscoe Dinger and A. T. Mitchell, directors.

Plans were formulated for an extensive survey of the city to report on the action or lack of action by the city on projects recommended during the past year by the Property Owners' association. Additional recommendations will also be sent to the city council, Mr. Haynes said.

Renewed as a main objective of the group was action toward obtaining a modern postoffice for Upland. Mr. Haynes said the securing of a new post office is the number one project of the group as it is so "badly needed."

A new post office or a drive-in mail box were on the agenda of the 1953 annual meeting, and Mr. Haynes expressed concern that the city has not taken steps to obtain better postal facilities.

Mr. and Mrs. Anthony J. Barone and family are enjoying a visit at their home, 521 North First avenue, from Mrs. Barone's mother, Mrs. E. S. Haddad of Acworth, New Hampshire, who has come to Upland to spend the winter.

Establish Tax Exemption For Upland Chest

Before the 1953 Community Chest campaign is officially closed the executive committee will hold one more meeting for final reports, Mrs. Hazel M. Cassell, executive secretary, said today.

No date has yet been set for the meeting but Chairman Howard C. Mason plans for an early session.

Mrs. Cassell is currently completing legal requirements for the formal establishment of tax exemption status for the Upland Community Chest with Bureau of Internal Revenue. This year for the first time Chest organizations are being required to make formal application for such status. Only one requirement remains to be completed by the local organization, the submission of balance sheet, and Mrs. Cassell said this will be accomplished in the near future.

Letters are being received by the Committee from agencies having received their funds allocated by the Upland Chest from the 1953 drive.

In appreciation of a $25 allocation, Richard C. Raymond, assistant general director of National Traveler's Aid, writes: "We certainly appreciate your cooperation and support, and are doubly pleased to learn of the personal testimony of members of your Executive board. We do give service every year to many thousands of children, particularly to a large number of run-aways."

Another letter from the United Defense fund for the Upland Chest contribution of $100 to its USO work expresses appreciation for the funds and outlines the work of the organization.

Alvin J. Neely, 254 South Second avenue has returned home from San Antonio hospital where he received medical care.

Catholic Groups To See Films

Boy Scouts of Troop 2 will be guests of St. Joseph's Men's club and Ladies' Auxiliary at a showing of a series of interesting movies, including scenes of the Our Lady of Guadalupe day parade, to be shown by Mr. and Mrs. Sam Gold next Tuesday evening.

The joint open meeting of the Catholic organization will be held at 7:30 p.m. in Upland American Legion hall, East Arrow highway.

Dan Maher, chairman of St. Joseph's Scout committee for Upland Troop 2, presided over a reorganization meeting Friday evening at which time a new committee was formed.

Ernest Asebedo will continue as scoutmaster, with Felix Ynostroza as assistant scoutmaster; Robert Vick, Explorer advisor; Robert Brown, Institutional representative; Hollis Guthrie, Troop committee chairman; Joseph Munoz, secretary-treasurer; Dan Maher, Scouting advancement; Lester Bradford and George Adams, camping, outdoor activities and First aid.

The Rev. Gregory S. Sheridan is the troop chaplain.

Legion Proposes To Open Gun Traps For Public Use

Plans for opening their gun traps for public use every Sunday will be discussed by members of the Upland post of the American Legion at their meeting next week. Tentative arrangements for conducting a shoot have been completed and when lease arrangements are completed, a definite schedule can be announced.

Many Legionnaires and other local residents are reported to be interested in this activity. Sam B. Rowe and Marvin Dunn are on the committee preparing for the shoots on Foothill boulevard near Lone Hill. This is the site of the legion's turkey shoots.
